mentioning the ship or page affected.

Such communications should not be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

The following Officers must send annually between 1st January and 31st March a notification to the Editor of their being alive, otherwise their names will be removed from the List:—

LIST OF SHIPS AND VESSELS OF THE ROYAL NAVY, WITH THEIR OFFICERS AND PRESENT STATIONS.

Note.—In consequence of the large number of alterations in the Navy List it has not been possible to arrange Officers in order of seniority under their ranks as usual.

The following are shown in separate lists :—

	PAGE
<i>Hospital Ships</i>	1012
<i>Mercantile Fleet Auxiliaries</i>	1012
<i>Auxiliary Small Craft</i>	1013
<i>Vessels available for Subsidiary Services</i>	1097
<i>Fleet Auxiliaries and Store Ships, also Small Steam Vessels, Tugs, etc., employed on Harbour Service</i>	1098
<i>Obsolete Vessels, and Vessels for Sale</i>	1105
<i>Harbour Service, School Ships, etc.</i>	1106
<i>R.N.R. Merchant Cruisers</i>	1108
<i>Coast Guard Cruisers</i>	1154

The Ships are arranged alphabetically. The numbering has no reference to the number of Ships on the List of the Royal Navy, being used only to indicate where Officers are serving.

The armament given excludes Field Guns, Machine Guns and Torpedoes.

The Tons represent the Displacement Tonnage.

S. denotes Single Screw.

P. " Paddle Wheel.

I.H.P. " Indicated Horse Power.

N.D. " Natural Draught.

F.D. denotes Forced Draught.

(Po) " Manning Port, Portsmouth.

(Ch) " " " Chatham.

(Dev) " " " Devonport.

All Officers whose names are in italics are borne as supernumeraries or additional.

(G) against an officer's name denotes that he is borne for Gunnery duties.

(T) that he is borne for Torpedo duties.

(N) that he is borne for Navigating duties.

(S) that he is specially qualified in Signalling Duties and is performing such duties, and

(I) that he is paid as Interpreter.

In the cases where two dates are shewn against the name of a Marine Officer, the date in brackets is that from which his present sea time commenced.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 90 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(a.) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(b.) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(c.) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(d.) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

By command of their Lordships.

Extract from Orders in Council with effect from 1st April, 1917:—

OFFICERS DISABLED.

1.—(1) An officer who retires, relinquishes his commission, or reverts to the Reserve or Emergency List on account of medical unfitness certified as either attributable to or aggravated by naval or military service in consequence of the present war, and not being due to his serious negligence or misconduct, may be granted the retired pay shown in the First Schedule to these Regulations which corresponds to the degree of his disablement as certified.

(2) If the officer holds a permanent commission in the Royal Navy or Royal Marines, he may be allowed to retain or receive either (a) the retired pay or gratuity which has been awarded to him, or for which he is eligible in respect of his service, or, if he is not so eligible, the half pay which is proper to his rank and service, with an addition as in the last column of the First Schedule to these Regulations, or (b) the retired pay which would have been awarded under that schedule to an officer holding only a temporary commission according to the degree of his disablement, whichever is more favourable,

(3) If a disabled officer is in receipt of a service pension as a seaman or marine and does not hold a permanent commission in the Royal Navy or Royal Marines, he may be granted either (a) that pension with an addition for his disability as in the last column of the First Schedule to these Regulations, or (b) the retired pay for which he is eligible under that schedule according to the degree of disablement, whichever is more favourable.

(4) If a disabled officer is in receipt of wounds gratuity or pension, he shall only be eligible for retired pay at a rate equal to his half pay or (if eligible therefor) his retired pay for service, unless that half pay or retired pay and the wounds gratuity or pension together amount to less than the retired pay to which he would be entitled under these regulations. In that case an amount equal to the deficiency may be added to his retired pay.

(5) An officer who has lost the sight of both eyes as the result of wounds received in action shall be granted not less than £300 a year in wounds pension and retired pay taken together.

(6) Subject to sub-sections (3) and (4) of this Article, if a disabled officer is already in receipt of pension as a seaman or marine or retired pay as an officer or warrant officer, it shall be suspended so long as he is receiving a higher rate under these Regulations.

(7) If an officer on or after general demobilisation, or after retirement, or relinquishing his commission, or transfer to or reversion to the Reserve or Emergency List, otherwise than for misconduct or at his own request, is certified to be disabled by wounds, injuries, or disease attributable to or aggravated by naval or military service in the present war, such disablement not having been caused or aggravated by his serious negligence or misconduct, he may be granted retired pay or gratuity as if he had retired as medically unfit for further service upon the date from which his claim is established.

2.—(1) In cases of pecuniary need the Minister of Pensions may, at his discretion, grant to a disabled officer who is in receipt of retired pay under Article 1 of these Regulations an education allowance not exceeding £50 a year in respect of each child above the age of 9. The continuance of the allowance shall depend on the continuance of the retired pay, and on the Minister of Pensions being satisfied as to the education the child is receiving. It shall not be granted to an officer receiving alternative retired pay under Article 3.

(2) In any case in which, in the opinion of the Minister of Pensions, it may become necessary to secure the proper care of a child on behalf of whom an education allowance is payable, the allowance instead of being paid to the parent may be administered under such conditions as the Minister of Pensions may determine.

3.—An officer who makes application and shows that the retired pay which he has been granted under the preceding articles of these Regulations, together with any wound gratuity or pension of which he is in receipt, together with the average earnings (if any) of which he remains capable, are less than his pre-war earnings, may be granted temporarily or permanently in lieu of such retired pay, retired pay which, together with the wound gratuity or pension, and the average earnings (if any) of which he is judged capable, shall not exceed his pre-war earnings up to a maximum of £300 a year, plus half any pre-war earnings between £300 and £600 a year.

(1) If an officer's disablement is not permanent, the grant of retired pay and allowances under the foregoing articles shall be temporary, and shall not be made permanent unless the permanency of the disablement is established.

(2) When an officer's retired pay has been made permanent, it shall not be altered on account of any change in his earning capacity, whether resulting from training or other cause, neither shall it be subject to review except—

(a) When an officer whose retired pay is assessed under Article 1 of these Regulations claims that there has been a substantial increase in the extent of the disablement due to the original cause.

(b) When an officer, whose retired pay is assessed under Articles 1 and 2 of these Regulations, shows that it would be more advantageous to him to be assessed under Article 3.

5. Half the retired pay awarded under the preceding articles may be subject to the condition that the disabled officer shall undergo medical treatment in a sanatorium, hospital, convalescent home or otherwise, for any period during which it is certified that such treatment is necessary in his interests.

6. An officer in receipt of retired pay under these Regulations may be granted in addition to that pay—

(a) the difference (if any) between that pay and retired pay at the rate for the highest degree of disablement for any period during which he is certified to require special medical treatment in a sanatorium, hospital, convalescent home, or other institution, a deduction of such an amount and under such conditions as the Minister of Pensions may determine being made from the officer's retired pay on account of the cost of his maintenance in the institution.

(b) actual necessary medical and other expenses incidental to treatment in respect of the disability for which he was retired up to such amount and subject to such conditions as the Minister of Pensions may determine.

(c) if disabled in the highest degree, an allowance not exceeding £78 a year in any case where the constant attendance of a second person is necessary.

7. An officer in receipt of retired pay under these Regulations may be granted in addition to that pay—

(a) the difference, if any, between the pay and retired pay at the rate for the highest degree of disablement for any period during which he is prevented from earning his living by undergoing training in a technical institution or otherwise which in the opinion of the Minister of Pensions would benefit him.

(b) an allowance to cover fees in respect of training up to such amount and subject to such conditions as the Minister may determine.

8. In any case where the degree of disablement is assessed at less than 20 per cent. or where it is considered by the Minister of Pensions more in the interests of the officer, a gratuity or temporary allowance may be granted in place of any retired pay under these Regulations. The grant will be subject to such conditions as the Minister may determine, and its amount will not exceed £500 and will depend on the nature of the disablement and other circumstances of the case.

9. OFFICERS OF WARRANT RANK DISABLED.

1.—(1) An officer of warrant rank who is discharged, relinquishes his commission or warrant, or reverts to the Reserve List on account of medical unfitness, certified as either attributable to or aggravated by naval or military service in consequence of the present war, and not being due to his serious negligence or misconduct, may be granted the disability pension shown in the First Schedule to these Regulations, which corresponds to the degree of his disablement as certified.

(2) If the officer of warrant rank holds a permanent commission or warrant, he may be allowed to retain or receive either (a) the service pension or gratuity which has been awarded to him, or for which he is eligible, in respect of his service, with an addition for his disability as in the last two columns of the first schedule to these Regulations; or (b) the disability pension which would have been awarded under that schedule to an officer of warrant rank holding only a temporary commission or warrant according to the degree of his disablement, whichever is more favourable.

(3) If a disabled officer of warrant rank be in receipt of wounds gratuity or pension, he shall only be eligible for a pension at a rate equal to his pension for service (if eligible therefor), unless that pension and the wounds gratuity or pension together amount to less than the disability pension to which he would be entitled under these Regulations. In that case an amount equal to the deficiency may be awarded.

(4) A commissioned warrant officer who has lost the sight of both eyes as the result of wounds received in action shall be granted not less than £225 a year in wounds pension and disability for service pension taken together, and a warrant officer in the same circumstances not less than £175.

(5) Subject to sub-section (3) of this article, if a disabled officer of warrant rank is already in receipt of pension, as a seaman, marine, or officer of warrant rank, it shall be suspended so long as he is receiving a higher rate under these Regulations.

(6) If an officer of warrant rank on or after general demobilisation or after discharge, or relinquishing his commission or warrant, or transfer to or reversion to the Reserve List, otherwise than for misconduct or at his own request, is certified to be disabled by wounds, injuries, or disease, attributable to or aggravated by naval or military service in the present war, such disablement not having been caused or aggravated by his serious negligence or misconduct, he may be granted a disability pension as if he had retired as medically unfit for further service upon the date from which his claim is established.

2.—(1) A disabled officer of warrant rank, granted a disability pension under Article 1 of these Regulations may be granted during the continuance of such pension, for each of his children under the age of 16, a children's allowance at the yearly rate set forth in the Second Schedule to these Regulations.

(2) The allowance may (subject to the continuance of the pension) be granted or continued beyond the age of 16 in the case of apprentices receiving not more than nominal wages or of children being educated at secondary schools, technical institutes or universities, and may be granted or continued between the ages of 16 and 21 in the case of a child incapable through mental or physical infirmity of earning a living, provided the infirmity existed before the child attained the age of 16.

(3) In any case in which, in the opinion of the Minister of Pensions, it may become necessary to secure the proper care of a child on behalf of whom an allowance is payable, the allowance, instead of being paid to the parent, may be administered under such conditions as the Minister of Pensions may determine.

3.—An officer of warrant rank who makes application and shows that the disability pension and any children's allowances which he has been granted under the preceding articles of these Regulations, together with any wound gratuity or pension of which he is in receipt and the average earnings (if any) of which he remains capable, are less than his pre-war earnings, may be granted, temporarily or permanently, in lieu of such disability pension and children's allowances, a pension which, together with wound gratuity or pension and the average earnings (if any) of which he is judged capable, shall not exceed his pre-war earnings up to a maximum of £200 a year, plus half any pre-war earnings between £200 and £400 a year.

4.—(1) If the disability of an officer of warrant rank is not permanent, the grant of disability pension and allowances under the foregoing articles shall be temporary, and shall not be made permanent unless the permanency of the disablement is established.

22636 PENSIONS AND GRATUITIES OF THE ROYAL NAVY.

(2) When the disability pension of an officer of warrant rank has been made permanent it shall not be altered on account of any change in his earning capacity, whether resulting from training or other cause, neither shall it be subject to review except (a) when an officer of warrant rank, whose disability pension is assessed under Article 1 of these Regulations, claims that there has been a substantial increase in the extent of the disablement due to the original cause; (b) when an officer of warrant rank whose disability pension is assessed under Articles 1 and 2 shows that it would be more advantageous to him if it were assessed under Article 3.

5.—Half the disability pension and children's allowances (if any) awarded under the preceding articles may be subject to the condition that the disabled officer of warrant rank shall undergo medical treatment in a sanatorium, hospital, or convalescent home, or otherwise, for any period during which it is certified that such treatment is necessary in his interests.

6.—An officer of warrant rank in receipt of a disability pension under these Regulations may be granted in addition to that pension—

- (a) The difference (if any) between that pension and pension at the rate for the highest degree of disablement for any period during which he is certified to require special medical treatment in a sanatorium, hospital, convalescent home, or other institution, a deduction of such an amount, and under such conditions as the Minister of Pensions may determine, being made from the disability pension on account of the cost of his maintenance in the institution;
- (b) Actual necessary medical and other expenses incidental to treatment for the disability on account of which he was discharged, up to such amount and subject to such conditions as the Minister of Pensions may determine;
- (c) If disabled in the highest degree, an allowance not exceeding £65 a year in any case where the constant attendance of a second person is necessary.

7. An officer of warrant rank in receipt of a disability pension under these Regulations may be granted in addition to that pension—

- (a) The difference, if any, between that pension and pension at the rate or the highest degree of disablement for any period during which he is prevented from earning his living by undergoing training in a technical institution or otherwise which in the opinion of the Minister would benefit him.
- (b) An allowance to cover fees in respect of training up to such amount and subject to such conditions as the Minister of Pensions may determine.

8.—In any case where the degree of disablement is assessed at less than 20 per cent., or where it is considered by the Minister of Pensions more in the interests of the officer of warrant rank, a gratuity or temporary allowance may be granted in place of any disability pension and children's allowances under these Regulations. The grant will be subject to such conditions as the Minister of Pensions may determine and its amount will not exceed £400 and will depend on the nature of the disability and the other circumstances of the case.

9.—An officer of warrant rank discharged as medically unfit for service, such unfitness being neither attributable to nor aggravated by naval or military service, and not being due to his serious negligence or misconduct, may be granted a gratuity or temporary allowance. The grant will be subject to such conditions as the Minister of Pensions may determine. In exceptional circumstances it may amount to a sum not exceeding £25, and generally it will depend on the extent to which the officer of warrant rank is incapacitated, on the length and character of his service, and on the other circumstances of the case.

Second Mate	£150	£120	£6

All such Officers holding appointments in His Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as time towards pension, on the above scale.

In the event of Commissioned Warrant Officers, Warrant Officers and Divisional and other Chief Officers of Coast Guard on shore having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than £10 a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 193 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for a pension on account of age, long service, or disability is made by any such Officer who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support.

Special Pensions, or gratuities in excess, of the foregoing scale or service may, at the discretion of the Admiralty, be awarded when special services

have been rendered requiring special reward and such lower rates of pension as the Admiralty may think proper may be granted to officers who have been found to be unworthy of further employment.

Time during which an officer shall not have maintained a good character in the ships in which he has served shall not be allowed to reckon as service for Pension.

Commissioned Warrant Officers, Warrant Officers and Divisional and other Chief Officers of Coast Guard on shore in such cases as may be for their advantage may be pensioned on the scale for seamen, their service in the above ranks being allowed to reckon as superior petty time.

All Commissioned Warrant Officers and Warrant Officers who have been dismissed from His Majesty's service for what may be considered venial offences in the case of seamen, may, at the discretion of the Admiralty be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy. In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 193 of the King's Regulations.

The Pensions of Commissioned Warrant Officers and Warrant Officers will be held only during good behaviour.

The case of a Chief or other Officer of Coast Guard Cruisers, who may sustain a wound or injury on duty, will be specially considered.

MAJORS, R.M.—HALF PAY LIST FOR.

(Order in Council of 6th Feb., 1917.)

A Half Pay list for Majors, R.M., has been established under the following conditions:—

"1. The following may be specially selected for promotion to the rank of Lieutenant-Colonel on half-pay, such promotion being a reward for good and distinguished service only:—

(a) Majors, on attaining the age for compulsory retirement.

(b) Majors, after two years' service as such, within such limits as may be laid down by the Admiralty.

"2. Majors so promoted to the rank of Lieutenant-Colonel on the Half-Pay List shall not be absorbed in the Establishment of Lieutenant-Colonels unless in exceptional cases for the benefit of the Service, and, except in such exceptional cases, they shall not be eligible for promotion or retired pay under the Regulations applicable to those on the Establishment.

"3. They will receive Half-Pay at the rate of 11s. 8d. per day whilst unemployed, and when employed they will receive either the pay and allowances of a Lieutenant-Colonel or the consolidated pay of the appointment they hold.

"4. They will be retained on the Half-Pay List until they attain the age of 54, when they will be compulsorily retired.

"5. They may be permitted to retire at any age at the discretion of the Admiralty.

"6. Retired Pay will be at the minimum rate of £300 per year at 48 years of age or on completion of seven years as substantive Major, with an addition of £2¹/₂ per year for each year of employment as a Lieutenant Colonel. The maximum Retired Pay will not exceed £450 per year."

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—For Tables of Full, Half, and Retired Pay, and Gratuities, see pp. 2233, 2274.

NAVAL OFFICERS.

I.—General Rules.

1. After retirement no increase of retired pay to be allowed to any Officer, except in the case of his retention in a Civil appointment at or under the Admiralty. The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

3a. Officers appointed to technical and administrative posts, which carry with them rates of pay and pension on a civilian basis, shall be supernumerary to the Established Lists whilst so employed.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. (a) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(b) An Officer placed on the Retired List under Clause (a), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement, and that the amount of the gratuity awarded shall not exceed the commu-

tation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(c) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(d) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half-pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

(e) Sub-Lieutenants and Paymaster Lieutenants, or Paymaster Sub-Lieutenants, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (a) may be awarded gratuities not exceeding 25*l.* for each year's service in these ranks, or 250*l.* in all.

(f) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such compassionate allowance as the Admiralty may think fit, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

(g) Commissioned Warrant Officers, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause (a) may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(h) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers and Subordinate Officers of all ranks.

Note.—Flag Officers promoted on or after 1st April 1914, while serving, will not count their service in their new rank to save them from compulsory retirement for non-service in that rank in cases where the Admiralty has definitely assigned the appointment to an Officer of the lower rank.

*Admirals of the Fleet promoted to that rank after the 16th July, 1914, are to be retired after 5 years from the date of such promotion, but no Admiral of the Fleet to be placed on the retired list under the age of 65.

3. Flag Officers who reach the age of 60 without having hoisted their flags as Flag Officers to be then retired.

§ XIX.—MANNER OF WEARING DECORATIONS,

ORDERS, AND MEDALS.

Knights Grand Cross and Knights Grand Commanders

167. The Insignia of Knights Grand Cross and Knights Grand Commanders, of Orders consisting of the Badge suspended from a broad ribbon over the shoulder, and the Star, are to be worn with full dress and ball dress; with the former the Ribbon should be worn under the epaulette and sword belt; with the latter, under the coat and over the waistcoat. With full dress, on collar days, the collar takes the place of the ribbon, being worn over the epaulettes, hanging at equal distance back and front, and fastened to the shoulders by bows of white satin, one and a half inches wide.

2. With frock coat and epaulettes the Star of the order only is to be worn. With frock coat the Star may be worn at discretion.

3. With uniform coats other than full dress and ball dress the ribbon of a Companion of the Order is to be worn, except that with mess dress, miniature Badges but not Stars may be worn in lieu, and with mess undress, miniature Badges or miniature Ribbons.

Knights Commanders and Commanders.

4. The Insignia of Knights Commanders and Commanders of Orders and of Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George and the Indian Empire, consisting of the Badge suspended from a ribbon round the neck, and in the case of Knights Commanders, the Star, are to be worn with full dress and ball dress. The ribbon should be worn inside the collar of the coat and under the necktie so that the Badge hangs outside one inch below the front of the collar or the tie.

If the Insignia of more than one Order be so worn, one ribbon and badge only is worn round the neck as described above. With full dress and white undress the senior ribbon and badge is so worn; with ball dress, the badge so worn is the senior badge, unless a junior should appear to be more appropriate to the occasion. With ball dress all badges are worn also in miniature; With full dress and white undress the badges other than the senior badge are worn one below the other, each suspended on three inches of ribbon emerging from between the buttons of the uniform coat, commencing with white undress one inch below the senior badge, and with full dress between the first and second buttons on the right side of the coat; a small eye is stitched inside the coat to which the ribbon is fastened by a hook.

The above rule applies to such classes of British and Foreign decorations as are ordered to be worn round the neck.

6. With uniform coats, other than full dress and ball dress, the rules laid down in clauses 2 and 3 to be observed.

* Specimen Uniforms may be seen at the Admiralty Pattern Rooms, Broadway, Westminster, S.W.

Badges of Companions and Members of Orders, and Medals.

7. The Badges of Companions (other than Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George and the Indian Empire) and Members of Orders are to be worn, together with Medals, with full dress and ball dress, but in the circumstances stated in clause 12, miniature Badges and Medals may be worn with the latter dress.
8. With all other uniform coats the rules laid down in clause 3 are to be observed.

Bar for Decorations, &c.

9. The several Decorations, Badges and Medals are to be worn on the left breast in one horizontal line one inch below the point of the shoulder, suspended from a single bar, of which no part is to be seen, and commencing with the end furthest from the shoulder.

‡ Order of Merit comes immediately after G.C.B. It is not worn in miniature, but is to be worn round the neck on all occasions.

‡ The Indian Order of Merit (Military and Civil) is distinct from the Order of Merit instituted in 1902. ‡ If more than one of these medals is awarded for the same act of gallantry, only one medal may be worn, viz., that which appears highest in the list.

The above order of Decorations applies to those of similar grades. When the miniature or ribbon of a higher grade of a junior Order is worn with the miniature or ribbon of a lower grade of a senior Order the higher grade miniature or ribbon should come first, *e.g.*, the miniature or ribbon of a K.C.I.E. will come before a C.B., and a G.C.M.G. before a K.C.B.

- b. *Foreign Orders.*—In order of date.
- c. *Foreign Decorations.*—In order of date.
- d. *Foreign Medals.*—In order of date.

In Undress Uniform no Badge of an Order will be worn round the neck except the Order of Merit

The ribbon of a decoration or medal may be assumed from the date of the official notification of the award, and may be worn when the recipient attends for investiture.

Bar, Full Dress.

11. On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders, and Medals cannot on account of their number be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Bar, Ball Dress.

12. With ball dress the bar is to go over the lapel, if necessary, but not beyond, and if from the number of Decorations, Orders and Medals, it should be too long to be worn conveniently, miniatures may be worn in lieu.

Medals awarded by Societies.

13. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, the Silver Medal previously granted.

Description of bar.

14. In all cases the bar for the suspension of Decorations, Orders and Medals is to be provided at the expense of the wearer. It may be of any metal or material, and of any pattern consistent with the above instructions, provided that the bar and the buckle are wholly concealed by the ribbons.

Length of ribbons.

15. The ribbons of Decorations, Orders and Medals are to be of the following lengths—

- a. When Decorations, etc., are worn:—

Full size	..	..	1 inch
Miniature	..	..	$\frac{1}{2}$ inch

- b. When ribbons alone are worn:—

Full size	..	..	$\frac{1}{2}$ inch
Miniature	..	..	$\frac{1}{4}$ inch

These lengths are not to be exceeded, unless, in the case of medals, the number of clasps should necessitate it.

Ribbons sewn on the coat.

16. When ribbons, either full sized or miniature, are required to be sewn on the uniforms, the same order of arrangement is to be followed as that laid down in clause 10, for Decorations, Orders and Medals. Knights Grand Cross, Knights Grand Commanders, Knights Commanders and Commanders will however add the ribbon of a Companion or Member of the order, or orders, to which they belong under clauses 3 and 6. The ribbons are to be sewn plain on the cloth of the uniform, without intervals; and when the space between the shoulder to the edge of the lapel is insufficient to accommodate them in one row, they are not to be made to overlap as on the bar but are to be arranged in two or more rows placed immediately under each other, with an interval of $\frac{1}{4}$ inch intervening between each row.

Ribbons of Orders and Medals, to wear which private permission has been given, are not to be sewn on the coat.

Decorations, &c., with White Uniform.

17. With white undress, Decorations and Medals or ribbons of Decorations and Medals are to be worn as prescribed for the dress in lieu of which white undress is being worn. The broad ribbon of Knights Grand Cross and Knights Grand Commanders should be worn under the shoulder strap.

When worn with white uniform, the ribbons of Decorations and Medals are to be placed on a removable bar or bars.

Miniature Decorations, Badges and Medals.

18. Miniature Decorations, Badges of Orders, and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders and Commanders will wear thereon, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong, omitting the Buckle in the case of the Orders of the Bath and of St. Michael and St. George.

The precedence of the various Orders of Knighthood concerned is as shown in clause 10 for the Companions and Members of those Orders.

19. If necessary the bar should extend over the lapel of the coat.

Decorations, &c., may be worn with plain dress.

20. Stars of the Orders and miniature Decorations, Badges of Orders, and Medals are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family or Viceroy, and of Governors-General, and on public and official occasions.
21. Only one set of miniatures need be maintained. The miniatures of companionship or membership will not be removed when the ribbon or badge of a higher order is worn by Knights Grand Cross, Knights Grand Commanders, Knights Commanders, &c.

22. Retired officers are authorised to wear Stars and Badges of Orders, and miniature Decorations and Medals in evening dress on all public and official occasions.

The front plate of the helmet is for use on all occasions when the helmet is worn, except on active service, when the plate will be removed at the discretion of the Senior Officer. The metal ball is to be worn when serving on shore at home. The white zinc mushroom top is for use on all stations whilst serving afloat; this top may, however, be replaced by the metal ball for men serving on Guards of Honour to Royal Personages, or on other special occasions at the discretion of the Commander-in-Chief or senior Officer, and will be replaced by metal ball when landed for duty at home, e.g., funerals and ceremonial occasions. The buckle of leather chin strap is worn on right cheek and the strap is always worn on duty, but not on leave or by working parties or postmen unless specially ordered. When the helmet is worn, the cap may be packed in the canvas bag, kit bag or pack, or carried in the haversack, as ordered.

14. *Naval Picquets or Patrols.*—No. 2, with leggings frogs, etc., as ordered for Seamen, without side arms.
15. *W.R.O. Servants* when sent on shore on duty for their masters are to wear the dress specially laid down for Marine Servants, page 847.
16. *Liberty Men.*—Caps will be worn for walking out in temperate climates. At home, No. 2 dress (or second tunics) may be worn for week end leave. The greatcoat may be worn in wet or cold weather. Short canes are to be carried when walking out. NOTES TO DRESS REGULATIONS FOR SHIPS' COMPANIES.

1. By the word collar in seamen's dress is to be understood the detached blue jean collar.

2. *Neck handkerchiefs* are always to be worn except by men employed coaling or re-fitting. They are to be tied behind the collar, the bight in front being confined by the strings, which, having been first tied together, are to be tied tightly in a bow over the handkerchief, leaving a bight about 3 inches long. The handkerchief should thus be firmly secured to the jumper.

3. *Knife lanyards* with knives attached are to be worn by all men wearing seamen's dress.

4. *Caps* are always to be worn, except as shown in paragraph 5.

5. In ships in harbour and shore establishments hats are to be worn: (a) with blue clothing during the summer season, weather permitting, on occasions of ceremony, and on Sundays as ordered by Senior Officer present; (b) always with No. 6 dress; (c) at any time as a protection from the sun, if ordered by the Senior Officer present.

Hats are not to be worn at sea, unless specially ordered as a protection against the sun.

Both hats and caps are to be worn square on the head.

6. *White caps or cap covers* are to be worn with white clothing. They are also to be worn with blue clothing.

(a) At home. From 1st May to 30th September inclusive;

(b) Abroad. At the discretion of the Senior Naval Officer present.

7. *Ribbons* on hats and caps are to be worn with the name straight in front, and tied in a bow over the left ear, in such a manner that the centre of the lettering on the ribbon is over the nose.

The ends of the bow are to be of equal length, not exceeding 2 inches in length.

8. *Jerseys* are to be worn with blue clothing, and with white working dress during cold weather, as directed by the Senior Naval Officer present. [In England, when once commenced, jerseys should be continued to be worn until about the beginning of April.]*

9. *Comforters* may be worn in exceptionally cold and raw weather and during night watches when blue worsted gloves and mitts may be worn. In the daytime comforters are only to be worn when specially ordered, except that individuals may be permitted to wear them temporarily on the Medical Officers' recommendation. They are to be worn as follows: One turn round the throat, and a half hitch, the ends being tucked inside the jumper and trousers.

10. *Overcoats* may be worn by men on duty or leave in cold or wet weather, the Blue Jean collar being worn inside.

Petty Officers and Leading Seamen, and equivalent ratings, are to wear their badge of rating embroidered in red on their overcoats. No other badges are to be worn.

Coastguard men who are in possession of flushing jackets may continue to wear them in lieu of overcoats until worn-out.

11. All jumpers are to be cut down 11 inches, the tapes being row through a becket 1 inch up from bottom of opening.

The junction of the sleeve with the body is to be at the point of the shoulder.

12. *Boots or shoes* are to be worn when men are in blue clothing, except when decks are wet, and in hot climates.

Brown canvas shoes, of approved pattern, may be worn on board at the Captain's discretion.

* Discretionary power is given to the Captains of Boys' Training Establishments on this point.

† The patterns of jumpers hitherto in force may continue to be worn pending further orders.

13. *Cycling dress*.—Men cycling on duty are to wear the Service Brown gaiter (to be supplied to them on loan).

14. *Mourning*.—If men desire to wear mourning for private reasons, they are to be allowed to wear a band of black crape, 2 inches wide, and of double thickness, round the left arm, midway between the point of the shoulder and the point of the elbow.

Spare crowns are also supplied separately, so that in case of a man being given an Instruction Rating etc., the badge already in his possession can easily be altered.

It is bestowed annually on the Midshipman who passes the best examination in Navigation and Pilotage for the rank of Lieutenant in the Royal Navy.

THE WHARTON TESTIMONIAL.

The Wharton Testimonial was founded in 1907, to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1884 to 1904. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £350. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial, and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest on the remaining sum will be used to purchase for the winner of the joint prizes a gold medal having on the obverse a bust of the late Sir William Wharton and on the reverse a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and the Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., G.C.M., who died on 20th August, 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about 800*l*. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains after payment of expenses is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1830 the late Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This Fund is employed for the purpose of conferring a gold medal annually on the Medical Officer who obtains the highest aggregate marks at the examinations for promotion to the rank of Staff Surgeon, the award being subject to the approval of the Presidents of the Colleges of Physicians and Surgeons respectively and the Director-General of the Medical Department of the Navy.

If in any year no Medical Officer passes a sufficiently meritorious examination to entitle him to the award of the Medal it is held over until the following year, but not more than two medals may be awarded in any one year.

If the unawarded Medals exceed four, their value is given to the Supplemental Fund for the children of Medical Officers.

CHADWICK NAVAL PRIZE.

A Trust, called the Chadwick Trust, has been created by the will and codicil of the late Sir Edwin Chadwick, K.C.B., that once in every five years the Trustees may present the sum of £100 and a Gold Medal, to be called the "Chadwick Naval or Military Prize," to such Officer of the Naval or Military Medical Services as shall during the preceding five years, have specially assisted in promoting the health of the men in the Navy or the Army, and shall be nominated for such presentation, in the case of a Naval Officer, by the Director-General of the Medical Department of the Navy.

Shadwell, K.C.B., who died 1st March, 1886, will be known as the "Shadwell Testimonial," and will consist of a Pocket Sextant, or other instrument (as funds will admit), of use in Navigation or Marine Surveying.

It will be bestowed annually on the Officer of a rank not higher than Lieutenant-Commander, and who has never been classed as an Assistant Surveyor, who has sent in through his Captain the most creditable plan of an anchorage, or other marine survey, accompanied with sailing directions, recently executed by himself.

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Chart Branch at the Admiralty; and they will be empowered to make no award, should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of a plan, a junior officer, who has assisted materially in its construction, may participate in the reward, should the funds be sufficient.

The first award was made on the plans received during 1889.

The Prize consists of books, instruments, accoutrements or other articles selected by the successful competitor, subject to the discretion of the Captain of the College.

THE ROBERT ROXBURGH MEMORIAL PRIZE.

This Prize was founded in 1917 by Mrs. J. B. Roxburgh in memory of her son, Midshipman Robert Roxburgh, R.N., of H.M.S. "Indefatigable," who was killed in action in the Battle of Jutland on the 31st May, 1916.

The interest on a sum of £1,200 Government Stock, held upon trust by the Admiralty, is employed in providing a prize each term for the Cadet who obtains the highest place in the grand aggregate of marks in the Passing Out Examination at the Royal Naval College, Dartmouth.

The prize consists of books, accoutrements, or other articles selected by the successful Cadet, subject to the discretion of the Captain of the College.

THE HAROLD TENNYSON MEMORIAL PRIZE.

This prize was founded in 1917 by Lord Tennyson in memory of his son, Acting Sub-Lieutenant The Hon. Harold Courtenay Tennyson, R.N., of H.M.S. "Viking," who was killed in action on the 29th January, 1916.

The interest on a sum of £230, Government Stock held upon trust by the Admiralty, is employed in providing a prize to be awarded each term to the Cadet of the Third Term at the Royal Naval College, Dartmouth, who comes out first in an Examination in English Literature. This examination is on the work of the great English Prose or Poetical Writers, including, from time to time, one or more of the late Lord Tennyson's poems.

The prize consists of books, including the single volume edition of the late Lord Tennyson's complete works.

THE OGILVY MEDAL.

This Medal was instituted in 1912 in memory of the late Captain Frederick Charles Ashley Ogilvy, R.N., who died on the 18th December, 1909, from typhoid fever, while in command of H.M.S. "Natal."

The dividends arising from a sum of about £240 given by Officers of His Majesty's Navy and also certain friends and relatives are employed in providing a medal, to be called "The Ogilvy Medal," which is awarded annually, at the discretion of the Admiralty, to the Officer who takes the first place in the examination to qualify for Torpedo Lieutenant. Any balance that remains after payment of expenses may be handed over to the winner of the medal at the discretion of the Admiralty.

KING GEORGE PRIZE SCHOLARSHIPS.

In accordance with the wishes of H.M. the King that the greater part of the Fund subscribed for the purpose of commemorating His Majesty's Coronation by subjects of His Majesty bearing the Christian name "George" in all parts of the Empire should be utilised for the benefit of junior Officers of the Royal Marines who may find difficulty in meeting the cost of the final stage of their military training, the sum available was invested and the income arising therefrom was devoted to the institution of Scholarships termed the "King George Prize Scholarships." One Scholarship is awarded each year to the Officer in the Royal Marines who, as a result of the annual competitive examination, is selected by the Admiralty for admission to the Military Staff College at Camberley.

Each Scholarship is tenable for two years and ordinarily consists of half the net income for the year derived from the Fund, estimated approximately at £97 10s.

The first Scholarship was awarded in 1914.

THE COMMANDER LLEWELYN PRIZE.

This prize was founded in 1917 in memory of the late Commander Robert Harman Llewelyn, R.N., who was killed in action on board H.M.S. "Queen Mary," at the battle of Jutland, on the 31st May, 1916.

The dividends on a sum of £400 Government Stock, presented by his father, mother and sisters, and held upon trust by the Admiralty, is employed in providing a prize to be called the "Commander Llewelyn Prize," which will be awarded either quarterly or half-yearly at the discretion of the Captain of H.M.S. "Excellent" to the Seaman who, when qualifying for Gunner's Mate in H.M.S. "Excellent," passes the best examination in Gunnery subjects (excluding the School Course) during the period above mentioned.

ENTRY AND EXAMINATION OF OFFICERS. NAVAL CADETS.

REGULATIONS FOR ENTRY AND TRAINING AT THE ROYAL NAVAL COLLEGES AT OSBORNE AND DARTMOUTH, AND ON BOARD THE TRAINING CRUISERS.

1. No nomination is required by a Candidate for a Naval Cadetship. All that is necessary is to send an application to the Assistant Private Secretary to the First Lord of the Admiralty. Applications should not be made until the Candidate has reached 12½ years of age.

2. Candidates must be of pure European descent, and the sons either of natural-born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

3. All Naval Cadets entered under these regulations are trained together until they pass for the rank of Lieutenant.

After passing for the rank of Lieutenant, they may be required to serve either as general service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or Marine duty.

As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

Parents or guardians of Candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

4. Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, they will pay to the Admiralty, if demanded, the sum of £25 per term in respect of each term passed by him at the R.N. Colleges, Osborne and Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards the balance of the cost of his training and maintenance not covered by the annual payment of £75 mentioned in para. 15.

This undertaking does not apply to Cadets withdrawn at the request of the Admiralty.

5. Entries take place three times a year, in January, May, and September.

Candidates for entry in January must be more than 13 years and 4 months but not more than 13 years and 8 months of age on the preceding

Do. do. May	do. do. 1st April.	do. do. 1st December.
Do. do. September	do. do. 1st August.	

The qualifying Examinations are held in December, March and July, and the appointments of successful candidates date from the 15th January, 15th May and 15th September following, respectively. *e.g.*

Candidates born on or between—	Eligible for Examination in—	Eligible for entry in—
1st Aug. (1906) and 30th Nov. (1906) - -	Mar. (1920)	May (1920)
1st Dec. (1906) and 31st Mar. (1907) - -	July (1920)	Sept. (1920)
1st Apr. (1907) and 31st July (1907) - -	Dec. (1920)	Jan. (1921)

6. All Candidates (except these being educated in the Colonies, who have received special Colonial recommendations under para. 10), will be required to present themselves before a Committee, which will interview each applicant separately.

The applications must be received at the Admiralty—

For the January entry	before 1st October	do. do. 1st January.
Do. May	do. do. 1st May.	
Do. September	do. do. 1st May.	

Appointments to Naval Cadetships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (*vide par. 8*) and a Qualifying Examination in educational subjects (*vide para. 9*).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

Travelling and other expenses incurred in connection with interview and medical examination cannot be recovered from the Admiralty.

The Interview Committee will sit shortly before the date fixed for each Qualifying Examination.

* Candidates are eligible only for one Interview and Qualifying Examination.

7. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. Details of the physical requirements of Candidates as shown on page 2343. A Medical Board of Appeal has been instituted to meet cases in which the Parent or Guardian of a Candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the Candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a Candidate who would otherwise have been selected for the Qualifying Examination, the Parent or Guardian will at once be informed that, subject to the payment of a fee of four guineas, the Candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the Parent or Guardian to the Director-General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant General of the Navy.

8. †The Qualifying Examination is in the following subjects:—

(1.) English (including writing from dictation and reproduction of the gist of a short passage twice read aloud to the Candidates).

(2.) History and Geography, with special reference to the British Empire.

(3.) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed).

* Should any case occur where a selected Candidate is prevented by illness from attending the Qualifying Examination, the Admiralty will consider whether special arrangements can be made for him to be examined by the Head Master of the Royal Naval College, Osborne, at the beginning of the ensuing term.

Arithmetic. The simple and compound rules, avoirdupois weight, linear and square and cubic measures, the elementary mensuration of rectangular surfaces and volumes, measure of capacity (pints, quarts, gallons), the metric system (the metre, gramme, and litre, with their multiples and sub multiples), money (including the relationship of the cent to the dollar, and the centime to the franc), reduction, factors, the addition, subtraction, multiplication, division and simplification of vulgar fractions, non-recurring decimal fractions, simple proportion, ratio and percentage, simple interest.

Algebra. The meaning of algebraic symbols, substitution of values, easy identities, equations of the first degree, including simultaneous equations, verification of the solution of equations, problems leading to simple equations, multiplication and division by binomial operator, easy factors (excluding sum and difference of cubes), fractions with numerical denominators.

(4.) **Geometry.** The paper will consist of questions both on Practical and Theoretical Geometry.

All Candidates must be provided with a ruler graduated in inches and tenths and also in centimetres and millimetres, a small set square, a protractor, pencil compasses, and a hard pencil.

Any proof of a proposition will be accepted which appears to the Examiner to form part of a systematic treatment of the subject. Simple deductions from specified theorems will be set.

Proofs of the validity of constructions will not, as a rule, be expected, but they may be asked for.

Practical Geometry.

Theoretical Geometry. The facts stated in the following theorems, together with riders on them, but without formal proofs of the theorems:—B, 1—11. Formal proofs of the following theorems, together with riders on them:—B, 14—19, 21, 22.

Note.—Schedules of the Geometry are attached to the regulations issued, and may be obtained on application to the Admiralty. The numbers in the Schedules correspond to those in the Geometry Schedule of the Common Examination for entrance to Public Schools, as reprinted from the Cambridge University Ordinances.

(5.) French or German, with an oral examination, to which importance will be attached.

(6.) Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order. A certain number of successful Candidates who are highly recommended by the Interview Committee and who also show excellence in the Examination will receive "Honourable Mention," and will be distinguished by an asterisk in the list of successful candidates.

9. The Governments of certain Dominions and Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Dominions and Colonies.

Unless such Candidates, however, actually reside and receive their education in their own Dominion or Colony, they must be also recommended by the Interview Committee, and must pass the Qualifying Examination and the Medical Examination.

10. Successful Candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to War service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of their Naval training:—

(1) The grant of an outfit allowance of £40 on first entry.

(2) The remission of fees at Osborne and Dartmouth.

(3) The remission of private allowance and tuition allowance during his period of service until he has completed his examinations for the rank of Lieutenant.

In cases where the above conditions are fulfilled by Cadets, Midshipmen, or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of training fees, private allowance, and tuition allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive the Educational Allowance authorised by the Order in Council of the 29th February, 1916.

11. Naval Cadets will undergo a course of instruction in the Training Establishments for a period of rather less than four years. This period will include eleven terms, of which five terms will be at Osborne and the remainder at Dartmouth. On passing out of the College at Dartmouth they will continue their training for a period on board a Special Training Cruiser and will then be sent to the sea-going Fleet as Midshipmen.

12. The following are the approximate dates for the beginning and the end of the three terms at the Colleges:—

At Osborne.

16th January to 8th April,
8th May to 30th July,
19th September to 17th December.

At Dartmouth.

16th January to 15th April,
8th May to 6th August,
19th September to 17th December.

The vacations at the Colleges are as follows:—

At Osborne.

Four weeks at Christmas,
Four weeks at Easter,
Seven weeks at Midsummer.

At Dartmouth.

Four weeks at Christmas,
Three weeks at Easter,
Six weeks at Midsummer.

13. The friends of the Cadets must be prepared to receive them during all the Vacations.

14. All Naval Cadets shall be subject to the Regulations for the time being in force respecting Cadets while at the Royal Naval Colleges at Osborne and Dartmouth and on board the Training Cruisers.

15. For all Cadets entering under these regulations payment will be at the rate of £75 per annum for the period under training at the Colleges, to be paid in sums of £25 every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered on each occasion subsequent to November, 1913, a number not exceeding 25 per cent. of the entries, with respect to whom the annual payment will be £40 only (to be paid in sums of £13 6s. 8d. every term in advance). A proportion of those admitted at the reduced scale will be sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, the reduced scale being reserved for such boys up to a maximum of 10 per cent. of the total entries on each occasion. The reduced scale will be allowed only in cases where the pecuniary circumstances of the parents are, in the opinion of the Lords Commissioners of the Admiralty, such as to justify it. Forms of application for admission at the reduced scale will be issued in respect of all candidates who are selected* after interview to attend the Qualifying Examination, and when duly filled in should be returned as soon as possible by such parents as desire to make application for the reduced scale.

* Parents abroad will, however, be furnished with forms of application, prior to this selection if they so desire.

Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for the sums payable as they become due, and the money should be at once remitted.

16. In addition to the above payments, any expenses incurred by a Cadet for clothing, sports, books, instruments, washing, &c., as well as the allowance of 1s. a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

17. No pay is allowed by Government to the Cadets in the Colleges, except in the case of Cadet Captains, who receive a small weekly allowance.

The pay of Cadets in the Training Cruisers is 1s. a day, and that of Midshipmen is 5s. 6d. a day.

18. The fees specified in paragraph 15 will cease on the Cadet joining the Training Cruiser. Parents or Guardians will then be required to make the Cadet a private allowance of £50 a year until he reaches the rank of Midshipman.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

20. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

21. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

22. Any valuable Gold Watches or Chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

23. Arrangements are made for the conveyance from Portsmouth to Osborne of the Cadets who are joining the College for the first time. Such Cadets should assemble at the Dockyard Gates (near Portsmouth Harbour Station) shortly before 3 p.m. on the day appointed for joining. Cadets rejoining the College will be expected to make their own arrangements for doing so.

24. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page, must be complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

25. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

26. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate drawn up in the necessary Form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return will entail his *not being received*.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

27. Letters relative to the Cadets should be addressed to:—"The Commanding Officer, Royal Naval College," or "The Commanding Officer, H.M.S. ———," and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the College or the Cruiser without delay.

28. The course of study includes the following subjects:—

Mathematics, with Geometrical Drawing.
Physics and Chemistry.
Mechanics, and applied Mechanics with laboratory work.
Applied Electricity, with laboratory work.
Engineering, with workshop practice and Mechanical Drawing.
Seamanship, with Gunnery in the Training Cruiser.
Navigation.
French or German.
English Grammar and Composition.
English Literature.
History, including Naval History.
Geography.
Bible Study.
Drill and Physical Training.

A large proportion of the time of the Cadets is given to the practical study of Engineering in the Workshops and Instructional Steamboats attached to the Colleges, and also in the Training Cruisers.

29. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

30. The passing-out examination of Cadets is representative of all subjects studied at the College, with the exception of Religions Knowledge, which does not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination.

First, Second and Third Classes will be awarded, and the class obtained in passing out from the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class	-	2 months.
For a Second Class	-	1 month.

Time will also be awarded for the course in the Training Cruiser which will similarly count towards promotion to Sub-Lieutenant:—

For a First Class	-	1 month.
For a Second Class	-	½ month.

The greatest amount of time that can be gained on passing out as Midshipman is accordingly three months.

31. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

- (1) They fail to reach a satisfactory standard, or
- (2) Their conduct is unsatisfactory, or
- (3) They are unsuitable for the Naval Service.

32. It is to be distinctly understood that the period of training, including the time spent in the Training Cruiser, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

33. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,

O. MURRAY.

Cadets when entering on their fifth term at Dartmouth should already have procured a Sextant in a box; a leather case is not necessary.

Any new Sextant must be approved by the Captain of the Establishment and must have the following qualifications:—

1. Strong frame and well finished in all respects all loose fittings to be stamped with the number.

2. Radius not to be less than $6\frac{1}{2}$ inches to middle of the graduation.

Sextants possessing the necessary qualifications can be obtained from various makers.

Sextants presented to Cadets which have belonged to Parents or others are not required to conform rigidly to the standard, provided they are of radius not less than that prescribed and are considered suitable by the Captain of the Establishment; but no Sextant can be accepted unless accompanied by a Kew Certificate, Class A.

REGULATIONS FOR THE ENTRY INTO THE R.N. COLLEGE AT DARTMOUTH OF CADETS FROM THE "CONWAY."

1. A certain number of nominations to cadetships in the Royal Naval College, Dartmouth, will be granted annually to the "Conway," training ship of the Mercantile Marine.

2. Shortly before the end of each Term, the Committee of the "Conway" may nominate two Cadets from their training ship, for admission to the College as Cadets of the Royal Navy, subject to their passing a qualifying examination and satisfying the conditions specified below. Should the Committee, in addition to the authorised number of nominations, wish to recommend any specially desirable candidate, his case will receive consideration.

SPECIAL ENTRY OF NAVAL CADETS.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS, WHICH WILL REMAIN IN FORCE AFTER THE YEAR 1916, UNTIL FURTHER NOTICE.

1. The number of Naval Cadetships offered for competition under the following regulations will be notified in the Press from time to time.

2. At the examination in June, 1920, Candidates for admission must be not more than 18½ nor less than 17½ years of age on the 1st of July, 1920. No nomination is required. Applications should be made to the Secretary of the Admiralty, Whitehall, S.W. 1, not later than the 1st April, 1920. A form of application to be filled in by the Parent or Guardian of the Candidate may be obtained from the Admiralty.

3. Candidates must be of pure European descent and the sons either of natural-born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the Candidate.

Candidates must be unmarried.

4. Applicants who satisfy these conditions will be invited to appear before a Committee at the Admiralty. This Committee will interview each Candidate and examine credentials furnished by the headmaster of the school he is attending or last attended. A report will be obtained beforehand from the headmaster for the information of the Committee as to the Candidate's conduct, abilities, past training and general promise of suitability. On the report of this Committee it will be determined whether the Candidate shall be admitted to compete. Candidates will be required to pass at the same time a Medical Examination, according to the prescribed regulations, as to their physical fitness for the Navy. Travelling and other expenses incurred in connection with Interview and Medical examination cannot be recovered from the Admiralty.

A Candidate who has passed the medical test for the Royal Air Force, within a period of 6 months before his appearance for interview, will not be required to undergo further medical examination.

Such candidates will be required to produce an Official Certificate of the result of the Royal Air Force examination.

Candidates from the Dominions and Colonies may be interviewed and medically examined by the Naval Authorities on the Station, the application being made through the Dominion or Colonial Government concerned.

Such candidates, if selected and found physically fit, will be required to attend the competitive examination in this country, *vide* paragraph 6.

5. Every Candidate must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age.

Details of the Physical requirements of Candidates are contained in Appendix I.

6. Candidates admitted to compete will present themselves for examination in June by the Civil Service Commissioners. The subjects of examination and a syllabus of the subjects are shown in Appendix II. Any further particulars of the examination can be obtained from the Secretary, Civil Service Commission, Burlington Gardens, W. 1.

By arrangement between the Admiralty and the War Office a Candidate who is admitted to compete in the examination for special entry as a Naval Cadet may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College, Sandhurst, or to Supplementary first appointments in the Royal Marines, in which case he must express definitely his order of preference* before the examination has begun. For particulars of the conditions of entry to the Royal Military Academy and Royal Military College, application should be made to the Secretary, Civil Service Commission.

Regulations for Supplementary first appointments in the Royal Marines may be obtained from the Secretary of the Admiralty.

7. A list of successful candidates in order of merit will be published by the Civil Service Commission.

8. Successful candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to war service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of Naval training:—

(1) The grant of an outfit allowance of £40 on first entry.

(2) The remission of private allowance.

In cases where the above conditions are fulfilled by Cadets, Midshipmen, or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of private allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive the Education Allowance authorised by the Order in Council of the 29th February, 1916.

9. Successful candidates will be appointed as Cadets to undergo a course of training for a period of 1½ years.

Naval Cadets under training will be subject to the Regulations for the time being in force respecting such Cadets.

On completing this course, and passing out satisfactorily they will join the Fleet as Midshipmen. They will become Midshipmen later in age than Cadets who enter through Osborne, but their services in that rank will be shorter, with the general result that except for the effect of the accelerated promotion which they may obtain by doing well in their final examinations, their age will usually be about a year more on attaining the rank of Lieutenant.

10. On attaining the rank of Lieutenant the Officers entered under the Special Entry Scheme will come under the same regulations in regard to promotion as the Officers entered through Osborne, and will have exactly the same opportunities for advancement to the highest ranks.

The difference in age in the early ranks between these Officers and the Osborne entries will not militate against the prospects of promotion of the former, and, as promotion to the ranks of Commander and Captain is by selection, on merit, a special entry Officer who receives early promotion would reduce or overtake this difference in age.

11. After reaching commissioned rank they may volunteer for service in any one of the special branches, *i.e.*, either the Navigation, Gunnery, Torpedo, Engineering, Submarine or Signal branch.

12. Parents or Guardians are required to make a private allowance of £50 per annum to Cadets from the time they join the Naval Service until they reach the rank of Midshipman (namely, for a period of about 1 year and 6 months). On reaching the rank of Sub-Lieutenant, an Officer is required to provide himself with the uniform of a Commissioned Officer.

13. Cadets will be paid 1s. a day from the time of entry until they become Midshipmen, when their pay will become 5s. a day. On reaching the rank of Sub-Lieutenant an Officer will be paid 10s. a day. The commencing rate of pay of a Lieutenant, reached after at most two years as Sub-Lieutenant, is 17s. a day.

A Sub-Lieutenant can meet his mess and other necessary expenditure on the pay of 10s. a day.

*Following the Army Regulations, a Candidate may say that if he is not among the first (so many successful competitors for the Royal Military Academy or the Royal Military College (as the case may be) he will elect for a Naval Cadetship.

† During the war payment of private allowances is suspended in the case of Midshipmen and Acting Sub-Lieutenants.

14. The Parent or Guardian of every Cadet is required to provide an outfit under the Regulations in force. A list of the outfit required under present Regulations is contained in Appendix II. The outfit costs about £66. Additional uniform required on being rated Midshipman is estimated to cost about £20.

15. All travelling expenses for Cadets will be advanced by the Paymaster, but will be charged to the Cadet.

Such money as may be required by Cadets for any special circumstance will be advanced by the Paymaster under the authority of the Commanding Officer.

16. Parents or Guardians of a Cadet must, in all cases of a permanent change of residence, inform the Admiralty and the Commanding Officer of the Training Cruiser or Establishment.

17. A Cadet may be required to be withdrawn at any time, if in the opinion of the Lords Commissioners of the Admiralty:—

- (1) he fails to reach a satisfactory standard, or
- (2) his conduct is unsatisfactory, or
- (3) he is considered unsuitable for the Naval Service.

By command of Their Lordships,
O. MURRAY.

APPENDIX I.—PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, squint, imperfect perception of colours, fistula lachrymalis, or any chronic disease of the eyes or eyelids. Candidates for Naval Cadetships at the Royal Naval College, Osborne, must possess full normal vision, viz. -6/6, and be able to read D=0.6, as determined by Snellen's test types, each eye being separately examined. A high degree of Hypermetropia will disqualify. For Candidates for any other branches of the Royal Navy, full normal vision is not required, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and vision without glasses must in any case be not less than 6/60 with each eye, and the candidate must be able to read D=0.6 of Snellen's test types. Candidates for Special Entry Cadetships must possess full normal vision in one eye, viz. - 6/6; and not less than 6/12, without glasses, in the other; the defect must be due to refractive errors, otherwise the Regulations are the same as for the Royal Naval College, Osborne. This lower standard will only be accepted on the clear understanding that these Officers will undergo a further test of eyesight on the completion of their Sub-Lieutenant's examination at the Schools, and a further examination, if considered necessary, on attaining the age of 25. Officers will be regarded as unfit for the Service if the standard at either of these later tests falls below 6/6 in one eye, and 6/12 in the other, except that

Officers may be allowed to remain in the Service for Engine Room duties only, if they elect to specialize, so long as their eyesight is not below 6/9 in one eye, and 6/12 in the other. A Candidate who has passed the Medical Test for the Royal Air Force, within a period of 6 months before the date of the Official Medical examination for the Royal Navy will not be required to undergo further medical examination.

5. Impaired hearing or discharge from one or both ears or any disease of the external, middle, or internal ear.

6. Disease of the bones of the nose or of its cartilages, nasal polypus, or disease of the naso-pharynx.

7. Disease of the throat, tongue, palate or tonsils, many unsound teeth, unhealthy gums, disease of the glands of the throat or neck, external cicatrices, if at all extensive, and especially if adherent.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, or any symptom of lung disease or tendency to thoracic.

9. Undue swelling or distension of the abdomen, obesity, disease or enlargement of the abdominal organs. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or incontinence of urine.

10. The existence of any serious defect of the genital organs, or of varicocele when it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty, e.g., when it is associated with varicose veins or piles.

11. Paralysis, weakness, impaired motion or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers, or toes.

12. Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional defect.

No person will be admitted into His Majesty's Service unless he has been vaccinated. Re-vaccination will also be required if considered necessary.

† i.e.—Seven teeth defective or deficient in persons under 17 years of age on the date of entry, ten defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

I.—APPOINTMENTS AS PROBATIONARY SECOND LIEUTENANT.

1. Appointments as Probationary Second Lieutenant Royal Marines will be offered annually to Candidates who may pass successfully a competitive examination and be otherwise qualified as detailed.

2. The number of appointments each year will vary according to the requirements of the Service, and notice thereof will be published about three months before the examination.

3. The examination of Candidates will be conducted by the Civil Service Commissioners in the month of June as specified in Section III. The examination will be held in London, and such other centres as the Commissioners may appoint. The fee for the examination in London will be 4*l.* and at any other centre 5*l.*, in addition to any local fees. The oral and practical parts of the examination will be held in London only.

6. Candidates will be required to present themselves at the Admiralty, where they will be separately interviewed before they are admitted to compete at the examination. Those admitted to compete will be given the necessary forms, after the interview, to enable them to make application to the Civil Service Commissioners to be examined.*

7. A Candidate must be of pure European descent and the son either of natural-born British subjects or of parents naturalised in the United Kingdom. In doubtful cases the burden of clear proof will rest upon the Candidate. He must also produce a certificate of his ability to swim, and a certificate of birth.

8. Successful candidates will be required to undergo an examination by the Medical Director General of the Navy as to their physical fitness for appointment.

The physical requirements are precisely the same as those for commissions in other branches of the Royal Navy (see page 2843), except that in addition Candidates must be at least 5-ft. 5-ins. in height.

9. Parents or guardians must undertake to provide an Officer with the outfit required on appointment as Probationary Second Lieutenant, and also with the additional uniform authorised on receiving his commission.

By arrangement between the Admiralty and the War Office a Candidate who is admitted to compete in the examination for a Supplementary First Appointment in the Royal Marines may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College, Sandhurst, or for special entry as a Naval Cadet, in which case he must express definitely his order of preference before the examination has begun. For particulars of the conditions of entry to the Royal Military Academy and the Royal Military College, application should be made to the Secretary, Civil Service Commission.

*Following the Army Regulations, a Candidate may say that if he is not among the first (so many) successful competitors for the Royal Military Academy or the Royal Military College (as the case may be) he will elect for a Supplementary First Appointment in the Royal Marines.

II.—CONDITIONS OF SERVICE†

10. The Candidates selected after examination will be appointed Probationary Second Lieutenants in the Royal Marines. Their seniority will be that of the order in which they were placed by the Examiners.

11. *Corps Nomination*.—One appointment in the Royal Marines will be given annually to the son of a combatant Officer of the Royal Marine Forces recommended to His Majesty by the Lords Commissioners of the Admiralty.

In the selection for this appointment preference will be given—

(a) To sons of Officers who have been killed in action or have died of wounds received in action within six months of such wounds having been received, or from illness brought on by fatigue, privation, or exposure, incident to active operations before an enemy, within six months after having been first certified to be ill; or—

(b) To sons of Officers who have attained the substantive rank of Major or Lieutenant-Colonel, and have performed long and distinguished service.

This appointment is contingent on the nominee qualifying in the entrance examination and showing a competent knowledge in the subjects Mathematics and Science.

12. *Period of Probation*.—Officers will be considered as on probation until they have completed all their courses of instruction and training and have been successful in all the examinations hereinafter mentioned.

13. *Removal from the Service*.—Officers who fail in any examination will be removed from the Service unless reasonable grounds for a second trial can be proved. They are also liable to be discharged at any time for unsatisfactory conduct.

14. *Date of Commissions*.—Commissions as Lieutenant Royal Marines will be granted to Officers after passing the final military examination. They will be posted to the Royal Marine Artillery or Royal Marine Light Infantry according to the requirements of the Service, but will be on one general list for seniority and promotion in the Corps.

15. The final order of seniority of Officers will be determined by the results of all their professional (naval and military) examinations during the probationary period of their service.

16. The higher classes of certificates in the final examinations entitle Officers to accelerated increase of pay.

* III.—SUBJECTS OF EXAMINATION.

17. The subjects of examination are as follows:—

In addition to the above-named subjects, Candidates may take up freehand drawing, to which 400 marks will be allotted, but from these marks such deductions will be made as will prevent indifferent draughtsmanship from receiving any credit.

Candidates who have fulfilled one of the following conditions will be entitled to additional marks for military efficiency:—

(a) Candidates who qualify for Certificate "A" in either the Senior or Junior Division of the Officers Training Corps, a Secondary School, or a recognised Territorial Force Cadet Unit, will be eligible for the award of the actual marks obtained at the *Certificate Examination*, i.e., from 800 to 600.

will be awarded 400 marks.

Under no circumstances will a candidate be awarded the 400 marks for service in addition to the marks gained in Certificate "A" *Examination*.

20. A mess allowance of 1s. 6d. a day will be granted during the period of study at the College.

21. The quarters in the College are fully furnished, and a small daily charge is made for their upkeep. Officers will be required to provide their own Sheets, Pillow and Bolster Cases, and Towels.

Any officer who fails to qualify will be discharged.

4. Any officer who is unwilling to apply for permanent service, or whose application is not accepted, will withdraw at the end of four years from the date on which he qualified, with a gratuity as laid down in paragraph 6. This period may be extended by mutual arrangement, but there will be no further increase in the gratuity.

DUTIES.

8. An Instructor Officer on being appointed to a ship will be responsible to the Commanding Officer for all scholastic instruction of both officers and men. In ships where an Instructor Officer is borne, the Chaplain will cease therefore to be responsible for the educational training of ratings and for the supervision of officers of the Schoolmaster Branch, these duties being transferred to the Instructor Officer.

In addition to assisting the Specialist Officers in the instruction of Midshipmen in certain parts of their professional subjects, the Instructor Officer will be available to assist young Lieutenants who desire to specialise in any branch of their pro-

fession; to give such lecture and instruction as the Commanding Officer may think desirable to arrange for the benefit of officers and men; and to assist with his scientific knowledge in solving any problems that may arise.

REGULATIONS FOR ENTRY OF CANDIDATES FOR COMMISSIONS IN THE MEDICAL DEPARTMENT OF THE ROYAL NAVY.

Admiralty, May, 1914.

1. Every Candidate for admission into the Medical Department of the Royal Navy must be not under 21 nor over 28 years of age on the day of the commencement of the competitive examination. He must produce an extract from the Register of the date of his birth; or, in default, a declaration made before a Magistrate, from one of his parents or other near relative, stating the date of birth.

2. He must declare:—

- (1) His age and date and place of birth.
- (2) That he is of pure European descent* and the son of natural born British subjects.
- (3) That he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability which may interfere with the most efficient discharge of the duties of a Medical Officer in any climate.
- (4) That he is ready to engage for general service at home or abroad, as required.
- (5) Whether he holds, or has held, any commission or appointment in the public services.
- (6) That he is registered under the Medical Act, giving the date of his registration as a medical student, or of his beginning professional study.
- (7) Whether he has previously been examined for entry in the Naval Service, and, if so, when.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, S.W., to permit of reference to the Candidate's Medical School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the Candidate's character, conduct, professional ability and fitness to hold a commission in the Royal Navy.

* If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the Candidate himself.

5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (See heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each Subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the Certificates laid down in the regulations for that Corps will be credited at the entrance examination with additional marks as follows:—Candidates in possession of Certificate A will receive 1 per cent. and those who possess Certificates A and B, 2 per cent. of the maximum number of marks allotted.

10. A Candidate will not be allowed to compete at more than two examinations.

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon Lieutenant in the Royal Navy and will be required to pass through such courses of instruction as the Admiralty may decide. (See under the heading Examinations.) At the end of the courses the Acting Surgeon Lieutenant will be examined, and, after he has passed, will be given a commission as Surgeon Lieutenant in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon Lieutenant who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list; but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval Funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement after 20 years' service.

12. A gold medal, a silver medal and three Navy Regulation pocket cases will be awarded as prizes in connection with these examinations; and the Gold Medalist will have a distinguishing mark after his

name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer. The eligibility of this appointment to count for time will be decided by the Medical Director-General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and the examinations at the conclusion of their probationary period as Acting Surgeon Lieutenant. Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over, they will join the next "Acting Surgeon Lieutenants' Course," and will be required to obtain qualifying marks. Surgeon Lieutenants entered without competition will take seniority next after the last Surgeon Lieutenant entered at the same time by competition.*

15. Surgeon Lieutenants on entry are required to provide themselves with a regulation pocket case of instruments.

15a. Acting Surgeon Lieutenants under training may, if they wish, provide themselves with those articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress), omitting white trousers, sword and belt. On receiving commissions as Surgeon Lieutenants they must provide themselves with the complete outfit of uniform prescribed by the regulations.

Examination for Entry.

16. Candidates will be examined by the examining board in the following subjects:—

- (a) Medicine, including medical pathology and therapeutics.
- (b) Surgery, including surgical pathology and clinical surgery.

The examination will be partly written and partly practical, marks being allotted under the following scheme:—

Medicine.		Surgery.	
Paper	400	Paper	400
Clinical	400	Clinical	400
Oral	400	Oral	400
1,200		1,200	

No candidate shall be considered eligible who obtains less than 50 per cent. of marks in each subject. The examination will be held in London and will occupy four days.

The Regulations as to examination for and promotion to the higher ranks are included in the King's Regulations and Admiralty Instructions, while particulars as to pay, retirement, etc., are shown in the Navy List under the Tables of Full and Half Pay, and under the Rules for Retirement.

* See Clause 7 of the Regulations for Entry.

Post-graduate Instruction and Examination for the Rank of Surgeon Lieutenant-Commander.

17. The Post-Graduate Instruction of Naval Medical Officers will consist of two distinct courses:—

- (I) A five months' course prior to advancement to Surgeon Lieutenant-Commander;
- (II) A second course of three months' duration for officers of not less than 14 years' seniority.

Course (i), which is compulsory for all Surgeon Lieutenants will be followed by an examination before the Medical Examining Board in London, the successful passing of which will be a qualification for promotion to the rank of Surgeon Lieutenant-Commander. The course is to be taken when a Surgeon Lieutenant has between 4½ and 6½ years' seniority, and as near the date when the latter period is completed as the exigencies of the service admit. The courses will take place twice a year.

The subjects of study and examination will be—
Compulsory:—

- (a) Clinical Medicine and clinical Surgery.
- (b) Operative Surgery.
- (c) Anæsthetics (practical).
- (d) Ophthalmology.
- (e) Clinical pathology.
- (f) Hygiene.

Optional:—

- (g) Throat, Nose, and Ear Diseases.
- (h) Skiagraphy.

A Surgeon Lieutenant who fails to obtain a pass will be allowed a second trial, but will not have a second course of instruction. Should he again be unsuccessful, he will be compulsorily retired on attaining eight years' seniority, with such gratuity as the Admiralty may see fit to grant, but not exceeding £500.

Instruction in clinical pathology and hygiene will be given at the Naval Medical School; the remaining subjects will be studied at the "Dreadnought" Hospital and other civil hospitals in London, as may be arranged from time to time by the Medical Director-General of the Navy.

The Surgeon Lieutenants going through the course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President. Their instruction throughout will be under the immediate supervision of the Professor of Hygiene, appointed in charge of studies.

Course (ii) is not compulsory, but is designed to afford senior officers the opportunity of refreshing their general knowledge of surgery and medicine, and of making themselves familiar with modern advances. There will not be any fixed syllabus of instruction or examination, but arrangements will be made in each case by the medical officer in charge of studies at Greenwich to meet individual requirements, and a report will be made by this officer to the Medical Director-General at the close of the course. The officers attending this second course will also be accommodated at Greenwich.

REGULATIONS FOR THE RESERVE OF MEDICAL OFFICERS.

(Established under Order in Council of the 11th August, 1903.)

The special attention of Candidates is directed to the following rules under which Officers are allowed to withdraw from the Service after 4 years' full pay service in the Royal Navy, with the advantage of joining the Reserve of Naval Medical Officers—(see below).

After 4 years' service in the Royal Navy, an officer, if he wishes, may pass from Active Service to the Reserve of Naval Medical Officers, when he will reap the following advantages:—

- (i) He will be granted a gratuity of £500 on passing into the Reserve.
- (ii) His name will be retained in the Navy List; he will retain his Naval rank and be entitled to wear his Naval uniform under the Regulations applying to officers on the Retired and Reserved Lists of His Majesty's Navy.
- (iii) If he agree to remain in the Reserve for 4 years, he will receive a retaining fee of £25 per annum. If, at the expiration of this period, he agree to remain in the Reserve for a further period of 4 years, he will continue to receive the same retaining fee.

Any Officer who from residence abroad, physical disability, or for other reason, may be considered by the Admiralty to be not immediately available for Service if required, will be liable to removal from the Reserve and forfeiture of retainer.

Should an officer prefer it, however, he may simply enter the Reserve for a period not exceeding 8 years, with power to give six months' notice of his intention to resign his position at any time (in which case he will receive no retaining fee). He may also adopt this method of Reserve Service after the expiration of 4 years served under the conditions referred to in (iii), by renouncing his retaining fee for his last 4 years' service into the Reserve.

No officer will be allowed to remain in the Reserve for a longer period than 8 years.

While belonging to the Reserve, Officers must report any change of address to the Secretary of the Admiralty.

Officers of the Reserve will be liable to serve in the Royal Navy in times of war or emergency. When called up for such service they will receive the rate of pay, viz., 17s. a day and allowances, to which they would have been entitled after 4 years' service on the Active List, and an outfit allowance of £20.

2. This candidate will be selected by the Board of Admiralty from sons of officers of the Navy or Royal Marines who have been killed in action or who have been lost at sea on active service, or killed on duty or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury, or who have performed long and meritorious service.

Except as regards exemption from the competitive examination, the candidate will be subject in all respects to these regulations.

All candidates, including the candidates for the service nomination referred to in para. 2, will be required to present themselves before a Committee, which will interview each candidate separately. The First Lord of the Admiralty will be guided by the recommendations of the Committee in his selection of candidates to whom nominations will be granted to compete at the examination for Paymaster Cadetships.

Candidates will be required to bring with them to the interview certificates of good conduct from the masters of any schools at which they may have been educated during the two previous years, or, if educated at home, from their tutor or the clergyman of the parish in which they reside.

Candidates will be allowed a deduction from actual age in respect of military service rendered in H. M. Forces (Naval, Military or Air) during the war. An official certificate as to the period of service must be furnished, but no candidate can be accepted who is over 21 years of age on the 15th January following the date of examination.

5. The number of Paymaster Cadets to be entered at each examination will be regulated by the requirements of the Service.

6. A candidate must be of pure European descent and the son either—

(1) of natural born British subjects, or

(2) of parents naturalised in the United Kingdom,

If any doubt arises upon this question the burden of clear proof that he is qualified will rest upon the candidate himself.

7. Candidates who may be successful at the educational examination will be required to pass the medical examination, according to the prescribed

regulations, before the Medical Director-General of the Navy, and must be found physically fit for the Royal Navy.

They must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease, or weakness of any kind, and in all respects well developed and active in proportion to their age. The cases of short-sighted candidates, in other respects fit, will be specially considered.

A Medical Board of Appeal has been instituted to meet cases in which the parent or guardian of a candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a candidate, the parent or guardian will at once be informed that, subject to the payment of a fee of four guineas, the candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the parent or guardian to the Director General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant-General of the Navy.

With a view to preventing candidates who may be physically unfit for his Majesty's Service from incurring the inconvenience and expense of preparing for commissions in Royal Navy, it is suggested that they should undergo examination by the medical adviser of the family, or by any other qualified medical practitioner. A list of the defects which cause rejection appears on page 2343-4.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official Physical Examination.

8. Candidates if nominated will be required to forward to the Secretary of the Admiralty (C. W. Branch) a certificate of ability to swim.

9. Candidates will be examined in the following subjects in Class I., and must obtain such an aggregate of marks as will satisfy the Civil Service Commissioners. They will also be permitted to present themselves for examination in two other subjects under Class II.:-

Admiralty.

Nov., 1915.

ENTRY.

1. A limited number of Boy Artificers will be entered annually in January and in July for training for the rating of Engine Room Artificer in the Royal Navy. Candidates will be selected on the results of examinations held annually in October for entry in the following January (*vide* paragraph 18) and in April for entry in the following July (*vide* paragraphs 6 and 15). Candidates must be the sons of British born parents and must be between the ages of 15 and 16 years on the—

*1st January for entry in January. *1st May for entry in the July following.

2. Every Candidate entered must be in good health and of sound constitution, and be free, as far as can be ascertained, from any disease or defect that would unfit him for the duties of an Artificer in the Royal Navy. His hearing must be unimpaired, and he must possess full normal vision as determined by Snellen's tests, each eye being separately examined.

3. Candidates will be medically examined at the Admiralty, 7, Whitehall Place, London, S.W.1, or at a Naval Port or Establishment or Recruiting Office, or on one of His Majesty's Ships, which will be selected by the Admiralty as near as possible to their place of residence. All Candidates who at the time of their Medical Examination cannot produce certificates to the satisfaction of the Examining Officers that they have been re-vaccinated, must be re-vaccinated before they can be considered eligible for entry.

CONSENT OF PARENT ON ENTRY.

4. A successful Candidate on entering as Boy Artificer must produce the consent, in writing, of his parent or guardian, or nearest relative, to his entering the Royal Navy and engaging to serve for 12 years' continuous service from the age of 18.

SYSTEMS OF ENTRY.

5. Candidates are admitted as follows:—

- (a) By open competition; or
- (b) On the recommendation of certain Naval Commanders-in-Chief, on account of Service Claims; or
- (c) By competition, limited to candidates recommended by Educational Authorities.

(a) Entry by Open Competition.

6. An open competitive examination is held in April each year (for entry in the July following), which is conducted by the Civil Service Commissioners at the same time and in the same manner as the examination for Dockyard Apprentices.

7. The vacancies for appointment as Apprentices to the various trades in His Majesty's Dockyards (*vide* the Regulations for Dockyard Apprentices) will be partly filled by Candidates at this examination who fail to obtain appointments as Boy Artificers, provided they are sufficiently high on the Examination List, and are eligible in all other respects. If they wish to be considered Candidates for these apprenticeships they must make the necessary application before attending the examination, in the manner provided by the Regulations for Dockyard Apprentices.

8. The List of Candidates for appointments by open competition is kept at the office of the Civil Service Commissioners. All applications for the forms to be filled up by persons who wish to compete must be sent to the Secretary, Civil Service Commission, Burlington Gardens, London, W.1, on or after the 1st January in each year, and *care must be taken that the Forms when filled up reach the Civil Service Commissioners on or before the 1st March following* (or if that date should fall upon a Sunday or public holiday, then on or before the first day thereafter, on which their office is open), as no notice will be taken of forms received after that date.

* A candidate born on 1st January or 1st May is eligible for entry only in the year in which the 16th anniversary of his birth falls, and not in the year in which he attains the age of 16.

9. Evidence of age and character will not be required before examination, but successful candidates will not be eligible for appointment unless they satisfy the Admiralty on these points.

10. Successful Candidates will be required to pass a Medical Examination as soon as possible after the result of the Competitive examination is known.

11. The Examination held by the Civil Service Commissioners takes place in London, Leeds, Edinburgh, Glasgow and Dublin, as well as at the several Dockyards, in the month of April in each year. The exact date may be ascertained by application to the Secretary, Civil Service Commission, Burlington Gardens, London, W. 1, on or after the 1st January in each year. A fee of 2s. 6d. will be required from each Candidate attending the examination.

(b) *Candidates with Service Claims.*

15. A limited number of Candidates, not exceeding 20 annually, will be entered in July after passing a qualifying examination in April in the subjects laid down for competitive Candidates. Candidates will be nominated by the Lords Commissioners of the Admiralty from the list of Candidates recommended by the Admirals commanding the Home Ports (including Queenstown) and Fleets, and Stations abroad, the Admiral Commanding Coast Guard and Reserves and the Adjutant General, Royal Marines.

16. These Candidates will be selected from the sons of Commissioned Officers, Warrant Officers, Chief Petty Officers, Petty Officers (N.S.) and 1st Class Petty Officers (O.S.) of the Royal Navy; Warrant Officers and Non-Commissioned Officers, of or above the rank of Sergeant, of the Royal Marines; Established Writers of the Civil Establishments; Draughtsmen and skilled Artisans of the Dockyards, not below the rank of Chergeman.

17. Parents, if serving, should apply for a recommendation for an appointment for their sons, through the Captain of their Ship, who will transmit the request to the Commander-in-Chief of the Station; or, if not serving, they should apply to the Commander-in-Chief at the nearest Home Port. Royal Marines, if not serving afloat, should apply to the Adjutant-General, Royal Marines. All applications should be made in good time for consideration, in order that the necessary particulars of the Candidates recommended may reach the Admiralty by the 1st February.

In all cases a full statement of the father's services must be given.

In exceptional circumstances men holding the ranks mentioned in par. 16 may apply for a recommendation for boys to whom they stand in the position of guardian. Before forwarding any such recommendation the Commander-in-Chief should obtain independent and satisfactory evidence that the boy has been brought up by his guardian for 5 years or more. This evidence should be forwarded with the recommendation.

(c) *Candidates recommended by Educational Authorities.*

18. A limited number of Candidates will be entered in January each year from a list of boys recommended on account of their educational attainments and general suitability by Educational Authorities throughout the United Kingdom, provided they are found physically fit for entry into the Royal Navy.

Candidates are expected to have educational attainments at least equal to those of boys who enter by open competition. They should have spent at least one year in a School providing education of a Secondary or Higher Grade Elementary type: but in any case an Educational Authority is fully satisfied that the candidate, although he may not satisfy the above condition, has the necessary educational attainments as a result of attendance at an Evening Continuation School offering higher instruction, or otherwise, special application may be made to the Admiralty for this condition to be waived.

Recommendations must reach the Admiralty not later than 1st October each year, and no recommendation received after that date will be considered.

19. These Candidates will be required to undergo an examination which will be held locally on the third Tuesday in October each year. The examination papers will be set by the Admiralty, and will be the same for all Candidates, the arrangements for holding the examination being made by the Educational Authorities concerned.

CONDITIONS OF SERVICE UNDER TRAINING.

20. On entry, Boy Artificers will be provided with a free outfit, and will be placed on the books of the Mechanical Training Establishment at Portsmouth or Devonport, where they will be attached for training. During their training Boy Artificers will be berthed and victualled in these Establishments, and will be subject in all respects to Naval Discipline. Under certain conditions, and at the request of their parents or guardians living in the immediate neighbourhood, Boy Artificers will be allowed leave to stay at their homes on alternate Saturdays and Sundays.

To Boys proceeding on leave, return tickets, covering the period of leave, are issued at reduced fares by the railway authorities.

ALLOTMENT OF TRADES.

21. On completion of three months' training, Boy Artificers are allotted to one of the three following trades: (1) Fitter and Turner (2) Boilermaker and Smith (combined); (3) Coppermith and moulder (combined).

The number to be trained in each trade depends upon the requirements of H.M. Service.

EDUCATION AND TRAINING.

22. The duration of the Training will be about four and a half years. During this period the boys undergo a course of general and technical education, in addition to workshop training. Boy Artificers who fail to make satisfactory progress or are guilty of persistent misconduct, may be discharged at any time.

Part I.

23. During the first two years they will receive instruction in Practical Mathematics, English, Elementary Science, Heat, &c., in which subjects they will be examined at the end of the second year. Those who qualify in this examination will then be permitted to take the second part of the course.

Part II.

will comprise Applied Mechanics, Workshop Appliances, Electricity, Marine Engines and Boilers, and Mechanical Drawing.

At the end of their course of training an examination will be held as to their fitness as workmen, and in the subjects of the Second Part of the Course.

24. Boy Artificers who fail to pass in either Part I. or Part II. will be discharged as a rule, unless special circumstances should justify their retention, when they will be re-examined after a further period of training.

25. Those who qualify will be rated Engine-Room Artificers 5th Class, and sent to seagoing ships for a period of practical sea experience.

26. On completion of this training, they may be rated Acting Engine-Room Artificers 4th Class, if recommended by the Engineer Officer and approved by the Captain of their Ship, after which they will follow on the lines of other Engine-Room Artificers of the Royal Navy, as laid down in the King's Regulations.

PAY.

27. The following are the daily rates of pay allowed to Boy Artificers, each rate being for seven days a week:—

First year	1s. 0d.
Second year	1s. 6d.
Third year	2s. 0d.
Over three years	2s. 6d.

The advancement from one rate of pay to the next above will be dependent on Good Conduct and Ability.

On being rated:—

Engine-Room Artificer, 5th Class	6s. 6d.
Acting Engine-Room Artificer 4th Class	9s. 6d.

The pay and prospects of Engine-room Artificers, 4th Class, entered under this system, will be the same as for Engine-Room Artificers entered direct from the shore.

Further details respecting the entry and training of Boy Artificers in the Royal Navy are given in the special regulations, published separately, which may be obtained on application to the Secretary of the Admiralty, Whitehall, London, S.W. 1.

REGULATIONS FOR SCHOOLMASTER BRANCH, ROYAL NAVY.

The Schoolmaster Branch will in future be a branch by itself, and will not be considered comparable with other Warrant Officer branches, except in so far as the following regulations deal with relative rank:—

I.—SCHOOLMASTER CANDIDATE.

1. Schoolmasters will be entered either direct from the shore or by transfer from other ratings.

2. Candidates must have such qualifications as will enable them to undertake the preliminary course of instruction.

3. They must be over 21 years of age and be physically fit.

4. They will be regarded as on probation for twelve months from date of entry, during which period they will be liable to be discharged, or to revert to their original rating, at any time if found unsuitable.

5. They will, as "Schoolmaster Candidates," hold the relative rank of Acting Warrant Officer.

6. An outfit gratuity of a total amount of £40 will be payable, £20 being granted on entry and the balance when the Officer has completed his period of service as Probationary Schoolmaster and has been confirmed as Schoolmaster (see Section II.).

7. They will be given a preliminary course of instruction and training. The course will include—

(a) Disciplinary drill and physical training.

(b) Instruction in practical mathematics, navigation, mechanics and electricity, and in the Service application of these subjects; in the elements of mechanical drawing; in the elementary theory of the Steam Engine and of internal combustion machinery.

(c) Training and practice in class teaching and organisation, especially in regard to the conditions of schoolwork afloat.

(d) Instruction in Fire and Torpedo Control and other subjects to fit them for their Action Station.

(e) Information in regard to Service ways and customs, ranks, ratings, their distinguishing marks; a brief survey of Naval History; records of famous ships; Service technical terms, &c.

8. The course will last 22 working weeks, with 4 weeks' leave.

9. An examination will be held at the end of the fourteenth week, followed by 2 weeks' leave. Candidates whose work in this examination is unsatisfactory will be discharged, or will revert to their original rating. Those who reach a standard of special merit and are recommended as likely to prove schoolmasters of exceptional ability will be advanced to "Probationary Schoolmaster" forthwith from the date of examination and be given more advanced instruction.

10. The remainder will continue their previous work and take a final examination at the end of a further 8 weeks' instruction, followed by 2 weeks' leave.

Those who fail to qualify in this examination will be discharged, or will revert to their original rating, unless specially recommended for an additional period of 8 weeks' instruction, in which case the period of 12 months' probation will be extended by a like amount.

Those who reach the qualifying standard will be advanced to "Probationary Schoolmaster" from the date of examination, their order of seniority being that of the final result list.

11. The "preliminary course" will be held in H.M.S. "Defiance" as at present, or at some other suitable centre.

12. In the case of a man who reverts to his original rating, the time served as Schoolmaster Candidate or Probationary Schoolmaster will count as time served in the rating held prior to appointment to the Schoolmaster Branch.

II.—PROBATIONARY SCHOOLMASTER (RELATIVE RANK OF ACTING WARRANT OFFICER).

1. As far as is practicable, Probationary Schoolmasters will be appointed to Home Service sea-going ships as "additional" to work under an experienced Schoolmaster.

2. They will be reported on by their Commanding Officers, on the completion of 5 months' service afloat, as to their fitness for confirmation as "Schoolmasters."

3. Schoolmasters not recommended for confirmation on the completion of 5 months' service afloat will be discharged to the shore or revert to their original rating, unless at the discretion of the Admiralty they be allowed the option of a further period of probation not exceeding 6 months.

4. Seniority as Schoolmaster, when confirmed in the rank, will be reckoned as from the date of promotion to "Probationary Schoolmaster."

5. The remainder of the outfit gratuity will be granted on confirmation (*vide* Section I., para. 6).

III.—SCHOOLMASTER (RELATIVE RANK OF WARRANT OFFICER).

1. All Schoolmasters will be required to take a short re-qualifying course at about the completion of 7, 13, and 19 years' service from entry.

2. Classes for this purpose will be held half-yearly, and last 6 weeks.

3. Schoolmasters who fail to reach the required standard on completion of a re-qualifying course will be allowed to take the course a second time after an interval of not less than 12 months.

4. Schoolmasters who fail to pass will not be eligible for further increments of pay or for advancement to the relative rank of Commissioned Warrant Officer, having regard to the fact that they will be available only for minor appointments. Provision is made in Section XII. for optional retirement with a gratuity.

IV.—SCHOOLMASTER (RELATIVE RANK OF COMMISSIONED WARRANT OFFICER).

1. Schoolmasters will be advanced "automatically" to the relative rank of Commissioned Warrant Officer on the completion of 20 years' service, provided that they are recommended and have obtained a pass in each of the three re-qualifying courses.

2. It is to be clearly understood that, as the Schoolmaster Branch are entered as Acting Warrant Officers and no longer serve as ratings, the rule in other branches which allows of automatic promotion to Commissioned Warrant Rank after 10 years' service in Warrant Rank, subject to satisfactory record, does not apply to this branch.

V.—ADVANCED COURSE.

1. Schoolmasters who are recommended for early advancement as having shown marked ability, both as teachers and in organising the work of their ship, and who reach the necessary standard in the first re-qualifying course—or subsequently in special cases—will be eligible for selection for an Advanced Course of instruction.

2. The course will include:—

More advanced instruction in technical subjects, and in their application to the special work of the Gunner, Torpedo, Navigation, and Wireless Telegraphy Schools, and of the Air and Submarine Services.

General information as to the qualifications required for the various higher ratings and Warrant Ranks.

Lectures on the training and development of the mind.

Information in regard to the duties of the Head Schoolmaster in a Squadron.

3. The course will last 22 weeks.

4. Those who complete the course and examination satisfactorily will have their names distinguished by a + in the list of Schoolmasters, and will be eligible for appointments on the "Special List" (see Section VI.).

VI.—"SPECIAL LIST" OF HIGHER APPOINTMENTS.

1. A list, to be known as the "Special List," has been prepared of those appointments which carry special responsibilities or call for technical knowledge of an advanced character.

2. Schoolmasters who have passed the Advanced Course and are appointed to positions on this "Special List," or are appointed acting temporarily

to such a post by the Senior Officer, will receive additional remuneration of 1s. a day (see Section VII). This allowance will be payable under the same conditions as specialist allowances (vide Article 1407, King's Regulations).

VII.—STAFF FOR ORGANISATION AND SUPERVISION.

1. In order that there may be made available a staff of Schoolmasters to fill positions equivalent to those of "Headmaster" and of "Senior Assistant," and that these may be given the status requisite for their special duties, it has been decided to institute two higher grades to be termed "Headmaster" and "Senior Master," to be confined to a limited number who have been selected by a gradual process of elimination as specially fitted for these responsible positions.

Officers of these grades will hold the relative ranks of Lieutenant and Commissioned Warrant Officer respectively.

Senior Master.

2. The number of Senior Masters will not exceed, in the normal course, 25 per cent. of the total number of active service Officers of the Schoolmaster Branch. Subject to this limit the establishment will be determined by the number of appointments in which the services of a Senior Master are required.

3. In the Schoolmaster Branch, Senior Masters will rank above all "Schoolmasters."

4. Appointments as Senior Masters will be made only into vacancies, and will be by selection from among those Schoolmasters who have passed the Advanced Course, have completed 1 year's satisfactory employment in a "Special List" appointment, and are recommended as possessing the special qualities requisite for a supervising appointment.

5. Senior Masters will be considered as "Acting" for the first 12 months of their service in that grade.

VIII.—HEADMASTER (ACTIVE LIST.)

1. Senior Masters with not less than 3 years' service as such will be eligible for promotion to Headmaster on the Active List.

2. The number of Headmasters on the Active List will not exceed, in the normal course, 8 per cent. of the total number of active service Officers of the Schoolmaster Branch. Subject to this limit, the actual number at any time will be determined by the number of appointments in which the services of a Headmaster are required.

3. Promotions will be made by selection as vacancies occur.

VIIIa.—HEADMASTER (RETIRED LIST.)

1. Senior Masters who retire after not less than 10 years' service in that rank will be eligible for promotion to the rank of Headmaster on the Retired List.

2. Similar promotion, as a reward for long and zealous service, will be allowed in the case of specially recommended Schoolmasters who retire after not less than 23 years' service.

IX.—WIDOWS' PENSIONS, WOUND GRATUITIES, &c.

Widows' pensions, wound gratuities, compassionate allowance, &c., will be according to the scales for Warrant Officer, Commissioned Warrant Officer, Lieutenant and Lieutenant Commander respectively.

X.—UNIFORM.

The Schoolmaster Branch will wear the uniform of Officers of their respective relative ranks, as laid down in W.O. 3502/18, with distinction cloth of light blue.

The Syllabus of the Examination is as follows:—

Mathematics.—Properties of angles, triangles, quadrilaterals, circles, loci—that is, the substance of Euclid's first three books treated in the manner of recent books on geometry. The use of instruments, drawing to scale, and drawing of loci from simple data. Stress will be laid on skill and accuracy in the use of instruments. Algebra up to and including graphs and quadratic equations with one unknown quantity.

English includes Handwriting, Spelling, Composition and Literature. The test in Literature will consist of questions upon a book or books prescribed from time to time by the Civil Service Commissioners.* The questions will require merely intelligent reading and not detailed study of the book. Handwriting and Spelling will be taken into account in the assignment of marks in English and other subjects, but for Handwriting a separate test will also be set.

History and Geography.—English History, from 1066 to 1902; Geography with special reference to the British Empire. A knowledge of minute detail will not be looked for. Particular questions may involve both History and Geography.

of time. Experiments with pendulums. Measuring time: the clock. Ideas of force from common experiences. Composition and resolution of forces in one plane. Ideas of work and energy. Principle of work as applied to simple machines: levers, blocks, and tackle, &c. Mechanical advantage. Determination of density. Pressure of the air: the barometer. Effect of heat: the thermometer. 8. Candidates must obtain such an aggregate of marks in the examination as a whole as may indicate in the judgment of the Civil Service Commissioners a competent amount of general proficiency.

9. Candidates will be informed by letter from the Civil Service Commission of the result of their Examination.

Those Candidates up to the required number who obtain the greatest number of marks in the subjects named in paragraph 7 will be eligible for appointment as Apprentices, and they will be allowed to select their trades according to their position on the Examination List.

10. Apprentices will be bound by indentures to serve for five years, and no Candidate will be entered unless some relative or friend is able and willing to undertake the duty of the second party to the indenture for the support, &c., of the Apprentice during his apprenticeship. No lodging or maintenance for Dockyard Apprentices is provided by the Admiralty, except as stated in paragraph 13.

11. Provided their character and conduct are satisfactory, and that they have made such progress in their trades and in the educational subjects prescribed for Dockyard Apprentices as to render them efficient workmen, Apprentices will be entered as journeymen on the expiration of the probationary period following the completion of the period of apprenticeship, and after any time lost by absenting has been made up; and subject to their service being satisfactory they will in ordinary circumstances be retained for a period of two years, and eventually be merged with the general body of hired workmen in the respective trades.

12. The pay of Apprentices serving in the Dockyards is as follows:—

	s. d.
First year	6 0 a week
Second year	8 0 "
Third year	10 0 "
Fourth year	14 0 "
Fifth year	20 0 "

On completion of the five years' apprenticeship, Apprentices will be entered as Probationers on a probationary rate of 30s. a week, and advancement to the full mechanics' rating and rate of wages will be at the discretion of the Local Officers according to the circumstances in each case.

War increases are paid in addition to the wages stated; the war increases at present amount to 12s. 9d. a week for apprentices under 18 years of age, and to 23s. 6d. a week for apprentices of 18 years and over. There is, however, no assurance that the payment of the war increases will be continued either in whole or in part for any period.

13. Board Wages will be allowed to Apprentices only in special cases of distress, and when the distress is due to the fathers of such Apprentices having been killed in the Naval Service, or in other service under the Admiralty or having died or been rendered unable to contribute sufficiently towards the support of their families through exposure or injuries received while on duty; when granted, board wages will make the total weekly pay up to 10s. a week.

The details of the School Training of Apprentices and other particulars are given in the Regulations which may be obtained on application to the Secretary to the Admiralty, or to the Superintendent of one of His Majesty's Dockyards (see par. 1).

*The book prescribed for the Examination of 1920 is "The Talisman" (Scott). Copies of "The Talisman" (price 1s. 6d.) will be on sale at the Sale Branch, H.M. Stationery Office, Imperial House, Kingsway, W.C. 2.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the attached table, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. His Majesty's Orders in Council increasing rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorised by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer, and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

The Widows of Naval Officers placed on permanent Half Pay or on the Retired or Pension List, on or after the 2nd August, 1910, on account of misconduct, after having completed not less than 20 years counting towards retirement or pension, may at the discretion of the Admiralty be granted pensions, provided that a deduction of not less than 10 per cent. shall have been made from the Retired Pay or Pensions to which, but for their misconduct, these Officers would have been entitled. In such cases the Widow's Pension will be reduced by half the percentage by which the husband's Retired Pay or Pension has been reduced.

Widows of retired Officers, or others formerly in the Royal Navy, having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their lives from causes attributable to the Service, may be allowed pensions, and their Children Compassionate Allowances on the special scale applicable to the rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1871 and 1882.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years, except Commissioned Warrant Officers, and Warrant Officers pensioned before 1st October, 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign state unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however,

grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow and provided it be clearly shown that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenant Commanders or Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical Officer, should retire or withdraw upon a gratuity.

8. The pensions of Widows whose private incomes may, after their pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their husbands having 10 complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shown that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—(a) Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

(b) Lieutenants, Engineer Lieutenants and Carpenter Lieutenants promoted to that rank from Commissioned Warrant Officers or Warrant Officers,

2364 COMPASSIONATE ALLOWANCES TO CHILDREN, &c.

The Widow of a Mate, Commissioned Warrant Officer, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Officer of a Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 7 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 7 years of his having been first certified to be ill, or whose death has been completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply. The foregoing provisions are not applicable to Head Schoolmasters pensioned on or after the 10th January, 1910.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November, 1886, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated—or by an acknowledgment of a

Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given, or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank and seniority of their husbands at the date when they were last on the Active List, except in the case of (i.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List and who were Retired or Married before the 10th November, 1886, whose Widows are pensioned as the Widows of Flag Officers, and (ii.) Commissioned Warrant Officers retired after 1st April, 1896, with the substantive honorary or relative rank of Lieutenant, Carpenter Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The widows of Paymasters-in-Chief and Paymaster Captains who attain that rank on retirement will be awarded the same rate of Pension as widows of Paymaster Captains on the Active List.

The same rate may also be awarded to the widows of Paymaster Commanders who are still on the Active List, provided that at the time of their death they have reached the age for optional retirement, and were eligible by service for, and would in the ordinary course have been granted, the rank of Paymaster Captain on retirement.

16. Widows of Marine Officers.

(a) Officers retired before 29 June, 1882.

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(b) Officers retired after 29 June, 1882.

The Widows of Marine Officers retired after 29th June, 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of His Majesty's Army.

17. *Widows and Children of Officers killed in Action.* Gratuities, under the following regulations, shall be allowed, as His Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the King's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Shins of friends by mistake, or in quelling disturbances on shore or afloat; and persons dying of their wounds within seven years shall be considered as persons slain, viz.:—

1. To a Widow, a Gratuity equal to a year's Full Pay of the rank which her husband held at the time of his death.

11. To each Orphan (who shall not be married, nor be above the prescribed limit of age), one third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

In the calculation of these Gratnities, the Officer's Command Money and other Full-pay Allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within seven years, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Sub-ordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

(2) The scale of Compassionate Allowances for Children of Officers is laid down in the foregoing Table, but motherless children who are not in receipt of more than 30*l.* a year from other sources may be granted allowances within a maximum of double the ordinary rates.

(3) When a Medical Officer retires, or withdraws on a gratuity, his children will have no claim to Compassionate Allowance.

20. The Allowances granted to the Sons of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the Daughters may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of Allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

21. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

22. All persons alluded to in Article 20 who are in receipt of 30*l.* a year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances. In the case of motherless children, however, the private income limit is 45*l.*

23. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

24. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

25. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

26. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

27. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within seven years after being injured, and leaves no Widow nor legitimate Child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

28. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within two years after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

29. If there be no ordinary rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the case of both Mothers and Sisters, under the circumstances stated in Articles 8 and 29.

30. Widows, Children, and other relatives or Officers who may have been granted temporary Commissions, or have held acting appointments, together with relatives of Officers of the Royal Naval Reserve and Royal Naval Volunteer Reserve to be eligible for pension and allowances on the same scales as are prescribed for Officers of similar ranks holding permanent Commissions in the Royal Navy

CASES ARISING OUT OF THE PRESENT WAR.

REGULATIONS UNDER ORDER IN COUNCIL OF 29TH FEBRUARY, 1916.

1. The following revised *regulations* apply to all cases arising out of the present war. The revised *rates* of pensions and compassionate allowance referred to in paragraphs 3, 6, 7, and 10 have effect, however, from the 1st March, 1915, only, unless otherwise indicated.

The general conditions of award previously laid down remain unchanged except where a contrary intention is definitely expressed.

2. In cases arising out of the present war, including those of Marine Officers employed on board H.M. Ships, the classification governing the award of the different Scales of Pensions and Allowances is as follows, in substitution for that shown on page 893:—

CLASS A.—Officers killed in action, or dying from wounds received in action, whether afloat or ashore, or whose deaths result from destruction of ship, or who suffer death by drowning or other violent death due directly and wholly to War Service.

CLASS B.—Officers who die of disease due to exposure or exertion on service, or from injuries received in and by service, so far as not covered by Class A.

CLASS C.—Officers who die of disease, injury, or accident, not coming under Classes A or B.

2A. In the case of Marine Officers on shore strength the classification is as for the Army, *i.e.*, as follows:—

CLASS A.—Officers killed in action, or dying from wounds received in action, or from other violent death due directly and wholly to War Service.

CLASS B.—Officers who die of disease due to active operations in the field, or otherwise directly attributable to military service, or from injuries received in and by service so far as not covered by Class A.

CLASS C.—Officers who die of disease, injury or accident not coming under Classes A or B.

3. The rates of Pension for Widows of Lieutenants and Sub-Lieutenants in the Royal Navy, and other Officers of corresponding rank in the Royal Navy and Royal Marines are raised to the following amounts:—

Class A	£100 a year
Class B	£75 a year
Class C	£50 a year

4. The additional Gratuity payable in Class A cases will continue to be paid at the existing rates.

5. In the cases of Officers coming under Class C, who die during the present war without completing the minimum period of service necessary to qualify their Widows for the award of Pensions, Gratuities of not less than one year's, and not more than three years', pay will be awarded at the discretion of the Admiralty, and will be paid in each case, either in a lump sum, or in instalments, as the Admiralty may consider desirable.

6. The rates of Compassionate Allowances for the Children of Commissioned Officers of all Ranks up to and including that of Captain in the Royal Navy, or similar relative rank, are as follows:—

Class A	£24 a year
Class B	£20 a year
Class C	£16 a year

7. The rates for the Children of Flag Officers and Officers of similar relative rank are as follows:—

Class A	£30 a year
Class B	£25 a year
Class C	£20 a year

8. In cases of pecuniary need, Educational Allowances of £35 a year for boys, and £25 a year for girls, will be awarded, at the discretion of the Admiralty, to the Children of Commissioned Officers

who die during the war, or are disabled through War Service, these allowances to be payable ordinarily between the ages of 13 and 18, but to be extended, if thought desirable, until the age of 21, on the recommendation of a competent Education Authority, where the education is being continued at Secondary Schools, Technical Schools, or the Universities.

9. In view of the revision in the rates of Compassionate Allowances and the institution of Educational Allowances, the existing provision for the grant of double Compassionate Allowances to motherless children is abolished, subject to the proviso that the Guardian of any child, who considers the provisions of existing Regulations more beneficial to such child, may, at the time the award is made, elect that the child should receive the benefit of existing Regulations, and that such option once exercised shall be final.

10. The following revised Regulations, provided they be more beneficial than existing Regulations, apply in cases arising out of the present war for the award of Pensions and Allowances to the Widows and Children of Commissioned Warrant Officers and Warrant Officers:—

(a) Killed in the performance of naval or military duty.

(b) Dying of wounds or injuries received in the performance of such duty, within 7 years after the receipt of the wound or injury.

(c) Dying of disease medically certified to have been contracted, or to have developed, while on active service, within 7 years of their removal from duty on account of such disease.

Widow's Pension to be £50 a year in the case of Commissioned Warrant Officers, and £45 a year in the case of Warrant Officers.

Compassionate Allowances on a scale of £8 to £14 to be awarded to the children of Commissioned Warrant Officers and Warrant Officers, and the Admiralty to have discretion to continue the allowance beyond the age of 18 in the case of boys on production of satisfactory evidence that the continuance of the allowance is needed for the purpose of enabling the boy to complete his education.

In cases where separation allowance is being paid, the above Pensions and Compassionate Allowances are payable only from the date of cessation of such separation allowance.

10a. The Widows, children and other dependants of Officers of H.M. Coast Guard are eligible for awards on the same scale and under the same conditions as apply to the dependants of Officers of corresponding rank in the Royal Navy. Coast Guard Officers, promoted on retirement to the rank of Honorary Lieutenant and called up for service in the present war, will for this purpose rank as Commissioned Warrant Officers.

11. The present provision that the aggregate amount of the allowances to the family of any Officer shall not exceed:—

(a) In ordinary cases, the amount of the half-pay of his rank and seniority at the time of his death, and,

(b) In cases where the Officer's death is attributable to the Service, the sum of £100 more than the amount of the half-pay of his rank and seniority at the time of his death,

to be waived, as also the provision that persons who are in receipt of £30 a year from other sources, or whose mothers have been refused Pensions on account of private income, shall be considered ineligible for Compassionate Allowances in ordinary circumstances.

12. On the death of an Officer who leaves no widow or legitimate child, under conditions such as entitle an Officer's Widow to Pension at the highest or the intermediate rate, the Admiralty has power to grant allowances as under:—

MOTHER.

The Mother may be granted an annual allowance provided that:—

- (a) The Mother is a widow, or her husband is totally incapacitated by age or infirmity, or he had permanently deserted her and ceased to support her.
- (b) She was largely dependent for support upon the deceased Officer: and
- (c) She is in distressed circumstances, and is not in receipt of Pension as an Officer's Widow or of any other charitable provision of any kind from the public.

The amount of the allowance shall be determined in each case by the Admiralty with regard to the Mother's pecuniary circumstances. It shall not in any case exceed the Pension which would have been awarded to the Officer's Widow, had he left one, or the annual value of the support afforded by the Officer. It shall cease in the event of the recipient remarrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her, and shall not in any case be transferable.

FATHER.

The Father may, subject to the same conditions as far as they are applicable, receive an allowance similar to that granted to a Mother, provided he is a Widower and totally incapacitated by age or infirmity.

SISTERS.

The Sister or Sisters jointly may be granted an allowance provided that:—

- (a) The Officer did not leave a Mother.
- (b) The Sister or Sisters be an orphan or orphans unmarried.
- (c) They were largely dependent on the deceased Officer.
- (d) The surviving Brothers, if any, are unable through youth, or bodily or mental infirmity, to give them support.
- (e) They are in distressed circumstances, and are not in receipt of any other charitable provision of any kind from the public.

The amount of the allowance shall be determined in each case by the Admiralty with regard to the pecuniary circumstances of the Sister or Sisters.

Not more than £50 a year shall be granted to any one Sister, and the total shall not in any case exceed the Pension which would have been awarded to the Officer's Widow, had he left one, or the annual value of the support afforded by the Officer.

Except in special cases where the Officer's Sister is shown to be unfitted by age or infirmity to earn her living, an allowance will not be granted if she is over 21 years of age, nor be continued beyond that age. It shall also cease in the event of the recipient marrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her.

The Mother or Sisters of a deceased Officer may, however, be granted, if more advantageous to them than the allowances herein specified, the benefits of the formerly existing Regulations.

**REVISED REGULATIONS UNDER ORDER IN COUNCIL
OF 29th SEPTEMBER, 1917.**

Extract from Orders in Council with effect from 1st April, 1917:—

**WIDOWS AND OTHER RELATIVES OF OFFICERS
DECEASED.**

10. Pensions and gratuities to the widows, children, and relatives of deceased officers, for which provision is made in the following articles, shall not be claimed as a right, but shall be given as a reward of the officer's services, and no pension or gratuity shall be granted or continued to a widow or relative who, in the opinion of the Minister of Pensions, is unworthy of the public bounty, and it shall be in the power of the Minister of Pensions to terminate or suspend any pension that may have been granted to such persons or to provide for its administration under such conditions as he may determine, and his decision shall in any case be final.

11.—(1) The widow of an officer, including an officer of the Royal Marines employed on board His Majesty's Ships, may be granted a pension as in the second column of the Second Schedule to these Regulations if the officer (a) is killed in action, whether afloat or ashore, or suffers violent death due directly and wholly to war service, or is killed or dies of injuries sustained on flying duty or while being carried on duty in aircraft under proper authority, or is drowned while on duty, or whose death results from destruction of ship, or who dies within seven years from wounds or injuries so received, or (b) dies from disease certified as caused by extraordinary exposure or exertion on service within seven years after having been first removed from duty on account of such disease, or (c) dies in consequence of injuries received in the performance of duty otherwise than under (a) within seven years after having been so injured.

(2) The widow of an officer of the Royal Marines on shore strength may be granted a pension as in the second column of the Second Schedule to these Regulations if the officer (a) is killed in action, or suffers violent death due directly and wholly to war service, or is killed or dies of injuries sustained on flying duty or while being carried on duty in aircraft under proper authority, or dies within seven years from wounds or injuries so received, or (b) dies from illness which is certified as directly traceable to fatigue, privation, or exposure incident to active operations in the field within seven years after having been first removed from duty on account of such illness, or (c) dies in consequence of injuries received in the performance of military duty otherwise than under (a) within seven years after having been so injured.

(3) The widow of an officer, including an officer of the Royal Marines, may be granted a pension as in the third column of the Second Schedule if the officer (a) dies of disease attributable to or aggravated by naval or military service other than as under sub-sections (1) (b) or (2) (b) within seven years after having been first removed from duty on account of such disease, or (b) dies of injuries attributable to naval or military service other than under sub-sections (1) (a) or (c) or (2) (a) or (c) of this article and not through his own serious negligence or misconduct, within seven years after having been first removed from duty on account of such injuries.

(4) The widow of an officer who dies in the circumstances referred to in sub-section (1) (a) or (2) (a) of this article may be granted a gratuity in addition to pension as in the fourth column of the Second Schedule to these Regulations; provided that, where it would be more favourable to her, the amount of the gratuity shall be equal to a year's full pay of the rank which the officer held on the 31st March, 1917, and for this purpose Officer's Command Money and other full-pay allowances, except Table Money and Field Allowance, shall be included.

12.—(1) The widow of an officer awarded a pension under Article 11 (1) or (2) of these Regulations may be granted a further allowance as in the fifth column of the Second Schedule to these Regulations, and a widow awarded a pension under Article 11 (3) a further allowance as in the sixth column of that schedule for each child maintained by her.

These allowances may be granted or continued up to the age of 18 in the case of sons and up to the age of 21 in the case of daughters, unless the child is otherwise provided for or married, and may be granted or further continued after the age of 18 in the case of a son who is an apprentice receiving not more than nominal wages, or is being educated at a secondary school, technical institute, or university.

(2) The above allowances may also be granted or continued after the specified ages in very special cases in which it is shown that (a) the children became afflicted during the officer's lifetime with some mental or bodily infirmity rendering them dependent upon him, and incapable of making adequate exertion for their own support; (b) that such incapacity dates from a period before the children reached the limit of age; and (c) that they are in distressed circumstances. The allowances may be granted or continued for such term as the Minister of Pensions may decide.

(3) A gratuity of one-third of the amount laid down in Article 11 (4) may be granted in addition to children's allowance for each child if the officer dies in the circumstances referred to in Article 11 (1) (a) or (2) (a).

(4) The widow of an officer awarded a pension under Article 11 may, if in pecuniary need, be granted at the discretion of the Minister of Pensions an education allowance not exceeding £55 a year for each child above the age of 9. The continuance of the allowance shall depend on the Minister being satisfied as to the education the child is receiving. It shall not be granted to a widow receiving an alternative pension under Article 13.

(5) In any case in which, in the opinion of the Minister of Pensions, it may become necessary to secure the proper care of a child on behalf of whom allowances are payable, the allowances, instead of being paid to the widow, may be administered under such conditions as the Minister of Pensions may determine.

13. A Widow pensioned under the conditions set forth in Article 11 of these Regulations, who makes application and shows that she was married to the officer before the commencement of the war or of his service, whichever was the later, and that her pension together with children's allowances (if any) which she has been granted under the two preceding articles is less than one-half the alternative retired pay that might have been awarded to the deceased officer under Article 3 had he survived and been incapable of supplementing that retired pay by earnings, may be granted, in lieu of such pension and children's allowances, a pension which shall not exceed one-half of such officer's alternative retired pay.

14. The widow of an officer not eligible for pension under Article 11 may be granted a gratuity of not less than one and not more than three years' pay of the appointment held by the officer provided that:—

(a) the officer died while on full pay, or during the war after removal from full pay from the injury or disease for which he was removed from full pay or some closely connected disease, and there is a continuous medical history of sickness; and

(b) the widow is disqualified only through the insufficiency of the officer's service for an ordinary pension under the terms of the King's Regulations and Admiralty Instructions.

The amount of the gratuity within the above limits shall be at the discretion of the Minister of Pensions and may be paid in a lump sum or in

instalments as he may determine. In the event of the officer leaving motherless children, a similar grant may be made to them under such conditions as the Minister of Pensions may determine.

15. Any pension granted to the widow of an officer under these Regulations shall cease on her re-marriage; but in the event of her again becoming a widow, her pension may be restored, if she is otherwise qualified, and if in the opinion of the Minister of Pensions her pecuniary circumstances are such as to justify the restoration. Allowances for children under Article 12 may be paid after re-marriage.

16. The widow of an officer who was at the time of his death in receipt of retired pay in consequence of disablement of not less than £70 a year, but whose death does not render her eligible for a pension under Article 11 of these Regulations may, provided she was living with the officer at the time of his death, receive a pension of not more than one-half the deceased officer's retired pay on account of his disablement, and in no case at a higher rate than provided for under sub-section (3) of that article, this grant to be subject to such conditions as the Minister of Pensions may determine and to cease on re-marriage.

17.—(1) The child of an officer who has died in the circumstances set forth in Article 11 of these Regulations may be awarded a pension of £40 a year where the child is or becomes motherless, or is not or ceases to be under the control of its mother. In the event of two or more children being maintained by one person, the amount will be reduced to £35 for each of the children after the first.

(2) The grant, continuance, and administration of the pension, shall be subject to the same conditions as those set forth for children's allowances in Article 12 (1), (2), and (5).

(3) A child granted a pension under sub-section (1) of this Article shall be eligible for a gratuity under the conditions of Article 12 (3), and for an education allowance under the conditions laid down in Article 12 (4).

(4) If the officer met his death in the circumstances of Article 11 (1) (a) or (2) (a) and did not leave a widow, but daughter or daughters only, an annual allowance equal to the ordinary rate of widow's pension as laid down in the King's Regulations and Admiralty Instructions, may be granted to the daughter or daughters collectively instead of the pension under sub-section (1) above. This allowance may be continued until the daughter, or the last surviving daughter, becomes disqualified by marriage.

18. The following conditions shall apply to the grant or continuance of pensions to the relatives, other than widows and children, of deceased officers under Articles 19 and 21 below:—

(1) It shall be granted only if the officer dies in the circumstances set forth in Article 11 (1), (2) or (3) of these Regulations.

(2) It shall be granted or continued only if the pecuniary or other circumstances of the relatives are such as in the opinion of the Minister of Pensions to justify the award.

(3) It shall not, together with any other pension or similar provision from public funds, exceed the pension which has been or would have been awarded to the officer's widow under Article 11 (1), (2) or (3) and the Second Schedule to these Regulations.

(4) It shall not be transferable, except that where it is granted jointly to parents, or to two or more sisters or brothers, it may be continued, wholly or in part, to the survivors.

(5) It shall cease on marriage or re-marriage.

19. (1) A pension may be granted to the parent or parents of an officer of such an amount as the Minister of Pensions may decide, subject to the conditions of Article 18 and such other conditions as he may determine, regard being had to pre-war dependence, if any, and to the age or infirmity of the parent or parents.

(2) A pension, under the same conditions, may be granted in respect of each son who has died in the circumstances set forth in Article 11, subject to the limit laid down in Article 13 (3).

20. A gratuity not exceeding the value of one year's widow's pension may be granted to the parent or parents jointly of an officer, at the discretion of the Minister of Pensions in special cases where the conditions for pensions laid down in the two preceding articles are not fulfilled.

21. (1) A pension may be granted to the sister or brother (or sisters or brothers) of an officer, provided they were wholly or partially dependent on him for support. The pension shall be of such an amount as the Minister of Pensions may decide, subject to the conditions of Article 18 and such other conditions as he may determine, and shall not be granted or continued to a brother after the age of 18, or to a sister after the age of 21, unless he or she is unfitted by age or infirmity to earn his or her living.

(2) A pension under the same conditions may be granted in respect of each brother who has died in the circumstances set forth in Article 11, subject to the limit laid down in Article 13 (3).

22. A gratuity not exceeding one-half the value of one year's widow's pension may, at the discretion of the Minister of Pensions, be granted to the sisters or brothers jointly in special cases where the conditions for pensions laid down in Articles 18 and 21 are not fulfilled.

11.—(1) A pension of £80 a year may be granted to the widow of a Chief Officer of a Coastguard Cruiser, a pension of £75 to the widow of a commissioned Warrant Officer or Divisional Chief Officer of Coastguard, and a pension of £62 10s. a year to the widow of a Warrant Officer or officer of relative rank in the Coastguard, who (a) is killed in the performance of naval or military duty or dies of wounds or injuries received in the performance of such duty within seven years of receiving such wounds or injuries, or (b) dies of disease certified as contracted or commencing while on duty or having been aggravated by such duty within seven years after being first removed from duty on account of such disease, or from injuries attributable to service other than under (a) within seven years of receiving such injuries, provided death was not caused by the officer's serious negligence or misconduct.

(2) A gratuity in addition to pension may be granted to the widow of an officer of warrant rank who is killed in action, whether afloat or ashore, or suffers violent death due directly and wholly to war service, or is drowned while on duty, or whose death results from destruction of ship, or who dies within seven years from wounds or injuries so received, at the following rates:—(a) To the widow of a commissioned warrant officer, £140; (b) to the widow of a warrant officer, £100; provided that, where it would be more favourable to her, the amount of the gratuity shall be equal to a year's full pay of the rank which the officer of warrant rank held on the 31st March, 1917, and in the calculation of this gratuity any full-pay allowances shall be included.

(c.) Before hoisting the Blue Ensign the Officer Commanding the Ship must be provided with an Admiralty Warrant.

(d.) The fact that the Commanding Officer holds a Warrant authorising him to hoist the Blue Ensign must be noted on the Ship's Articles of Agreement.

2. Commanding Officers failing to fulfil the above conditions, unless such failure be due to death or other circumstances over which they have no control, will no longer be entitled to hoist the Blue Ensign.

3. British merchant ships in receipt of Admiralty Subvention will be allowed to fly the Blue Ensign under Admiralty Warrant.

4. In order to ascertain that the above conditions are strictly carried out, the Captain of one of His Majesty's Ships meeting a ship flying the Blue Ensign may send an Officer, not below the rank of Lieutenant, on board at any convenient opportunity. This restriction as to the rank of the Boarding Officer is in no way to limit or otherwise affect the authority or the duties of Naval Officers either under the Merchant Shipping Act or in time of War.

5. Applications for permission to wear the Blue Ensign on board British Merchant Ships in receipt of Admiralty Subvention should be made direct to the Admiralty by the owners; for other Merchant Ships the application should be made through the Registrar General.

XVII.—Paymaster Sub-Lieutenants for Service in the Royal Navy, under Order in Council of 7th March, 1904.

(51.) Under the authority of the "Royal Naval Reserve Officers Act, 1863" (26 & 27 Vict. c. 69), as amended by Act 35 & 36 Vict. c. 73, the Lords Commissioners of the Admiralty have formed a Reserve of Accountant Officers for service in the Royal Navy in emergencies.

2. It will consist of a certain number of Paymaster Sub-Lieutenants who will be granted commissions as Officers of the Royal Naval Reserve under the existing regulations respecting R.N.R. Officers, so far as they are applicable to their case.

3. They will be required to undergo training in Accountant duties in time of peace, and will be liable to be called out by Royal Proclamation for service in the Fleet in any national emergency, and to continue serving during the continuance of such emergency.

(52.) To be eligible for a commission as Paymaster Sub-Lieutenant, R.N.R., candidates must be between 21 and 30 years of age, with a good knowledge of, and at least three years' experience in, the keeping of accounts. They will be required to produce thoroughly satisfactory testimonials from the firms in which they are employed, and to present themselves before a Board of Selection at the Admiralty.

2. Every candidate will be required to pass a medical examination before the Medical Director-General of the Navy; he must be in good health, well-developed and active, free from any physical defect of body, impediment of speech, defect of hearing, or serious defect of sight, and also from any predisposition to constitutional or hereditary disease or weakness of any kind. The case of a short-lived candidate, in other respects fit, will be specially considered on its merits.

(53.) Candidates for Paymaster Sub-Lieutenant, who pass the medical examination and are provisionally accepted by the Board of Selection will be required to attend a preliminary course of instruction; in the evenings, for at least a fortnight, and if satisfactorily reported on by the Instructing Officer, they will be given an appointment, as Acting Paymaster Sub-Lieutenant R.N.R.

2. This preliminary instruction will be followed by training on board one of H.M. ships on the Home Station for a minimum period of 14 days and a maximum of one month, to be repeated for three years, or until they pass an examination and are reported qualified for confirmation in their rank. The course of instruction will include the practical duties of Accountant Officers in regard to Naval Accounts and payments, and in regard to the receipt, issue, care, and preservation of provisions, clothing, and other stores on board H.M. Ships.

NOTE.—Acting Paymaster Sub-Lieutenants who are Pursers or Assistant Pursers in the Mercantile Marine will not be required to attend the Instructional Classes, but must perform a minimum of 21 days' training each year until confirmed.

3. Any Acting Officer, who, after three yearly courses of instruction, may not be found fully suitable in every respect to hold a Commission, will not be confirmed in the rank, but will cease to belong to the Reserve.

4. The convenience of the firms will be studied in arranging the dates of embarkation, but it is very desirable that the first period of training in the Fleet should be as long as possible.

(54.) Whilst embarked, every opportunity should be taken of fully instructing them in the practical duties of Paymaster Sub-Lieutenants and with this object they should be regarded as forming part of the staff of the Paymaster.

2. It is to be understood that, whilst the minimum period of training has been fixed at a fortnight, and the maximum at a month, each year, these Officers must be discharged in time to enable them to keep their engagements with their employers. Travelling warrants may be given to them to the place from which they joined or to any not more distant place, and the usual travelling expenses will be paid.

3. At the end of the course of training a report is to be made as to the progress which they have made and whether they display the qualities expected of gentlemen filling the position of Commissioned Officers in His Majesty's Fleet.

(55.) Officers will be further expected, until confirmed in their rank, to attend the evening classes of instruction for about ten days in each year; and after confirmation they will be required to keep themselves efficient either by attending classes of instruction or by further training in the Fleet, as may be practicable.

(55a.) Paymaster Sub-Lieutenants (confirmed) will be allowed to volunteer for one year's service afloat, when they will receive pay at the rate of 10s. a day equipment allowance of £15 and will be eligible for a bonus of £25 on termination of appointment (conditional on good conduct and service).

(56.) Paymaster Sub-Lieutenants R.N.R., will rank with, but after, Paymaster Sub-Lieutenants of the Royal Navy.

2. When on duty they will wear the uniform established for Officers of the Royal Naval Reserve. If called out for service in emergency they will be granted the sum of £25 for equipment. Before embarking for training they will be expected to provide themselves with a Duty Undress and a Mess Undress. The provision of any further articles of uniform for occasions of ceremony will be optional.

3. They are authorised to wear uniform when serving in H.M. Ships and on State occasions only.

4. They will mess in the Wardroom, paying the ordinary mess subscription of 2s. a day and other small expenses.

(57.) When called out by Royal Proclamation for service in the Fleet, or when embarking for training, they will serve under the provisions of the Naval Discipline Act, and they will receive a daily rate of pay of 10s. a day.

(58.) No money allowance will be granted to Officers attending classes of instruction.

2. Classes of instruction are held in the evening at the Admiralty, Whitehall.

(59.) Paymaster Sub-Lieutenants R.N.R., will, except when called out in emergency, be permitted to tender the resignation of their Commissions at any time. They will be liable to forfeit their Commissions should the Admiralty for any reason have no further need of their services.

2. Officers who leave the Active List for any reason before the completion of 10 years' service are liable to be called upon to resign their Commissions.

3. On reaching the age of 40, or at their own request at 35, Officers who have been confirmed in their rank and who have served not less than 10 years in the Reserve, will be placed on a retired list of Paymasters Sub-Lieutenants R.N.R., at the discretion of the Admiralty.

4. Paymaster Sub-Lieutenants R.N.R., placed on the retired list may, under exceptional circumstances, be granted a step in rank at the discretion of the Admiralty.

(60.) Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst under training in the Fleet, will receive compensation in accordance with the scale applicable in the case of Paymaster Sub-Lieutenants of six years' seniority in the Royal Navy. If they are killed in action, or die from accident resulting from the performance of their duty, their widows and children will similarly receive allowances in conformity with the regulations.

(61.) When Paymaster Sub-Lieutenants R.N.R., are embarked for training, bedding, &c., as laid down in the Regulations, may be drawn from them.

(62.) Under Orders in Council of 2nd May, 1917, and 13th June, 1917, Paymaster Sub-Lieutenants R.N.R. who were entered under the Order in Council of the 7th March, 1904, may, at Admiralty discretion, receive promotion to the ranks of Paymaster Lieutenant-Commander and Paymaster Lieutenant, R.N.R., under the following Regulations:—

1. To be eligible for promotion to the rank of Paymaster Lieutenant on attaining 2 years' seniority as Paymaster Sub-Lieutenant.

2. To be eligible for promotion to the rank of Paymaster Lieutenant-Commander on attaining 5 years' seniority as Paymaster Lieutenant.

3. Pay when employed to be at the rates authorised for Paymaster Lieutenants and Paymaster Lieutenant-Commanders, R.N., viz:—

NOTE.—Officers eligible under these Regulations for the award of the Decoration should forward their application as laid down in Sec. VI. of the regulations for the Royal Naval Reserve given in the preceding pages.

Admiralty,
September, 1913.

NOTE.—Retired Officers called up will be allowed to count their service during hostilities towards the qualifying period. In the case of Officers who have not completed the 12 months' naval training mentioned in para. 2, 12 months' active service will count as equivalent.

* This does not include time served by Midshipmen R.N.R. with the temporary rank of Acting Sub-Lieutenant.

DECORATION FOR OFFICERS OF THE ROYAL NAVAL VOLUNTEER RESERVE.

HIS MAJESTY THE KING has been graciously pleased to approve of the institution of a Decoration for Commissioned Officers of the Royal Naval Volunteer Reserve, under the following regulations:—

1. Volunteer Officers having 20 years' service (which need not be continuous) may be granted a decoration designated "The Volunteer Officers' Decoration." Honorary Service will not be allowed to count. The following will be allowed to reckon towards the 20 years.

(a.) All service over 17 years of age as a Midshipman and all commissioned service in the Royal Naval Volunteer Reserve or in the disbanded Royal Naval Artillery Volunteers, and all commissioned service in the Army Volunteer or Territorial Force.

(b.) Half the time served as a Petty Officer or man of the Royal Naval Volunteer Reserve, in the disbanded Royal Naval Artillery Volunteers, or in the ranks of the Army Volunteer or Territorial Force, and

(c.) All previous service qualifying for the Colonial Auxiliary Forces Officers' Decoration, provided that at least 10 years' qualifying service has been spent in the Royal Naval Volunteer Reserve or Royal Naval Artillery Volunteers or the Army Volunteer or Territorial Force of Great Britain.

2. Applications for his Decoration are to be made in writing by the Commanding Officer of each Division, and each case is to be supported by a statement of the applicant's service on Form R.N.V. 11. The Decoration being granted as a reward for good and long services Commanding Officers should in each case state in general terms the reasons which, in their opinion, give the applicant a claim to receive the decoration. Commanding Officers will forward their recommendations to the Admiral Commanding Coast Guard and Reserves for the consideration of the Admiralty, and the decoration if awarded will be issued from the branch of the two services in which the Officer shall have served the greater portion of his last ten years of qualifying service.

3. The letters "V.D." will be inserted in the Navy List against the name of the Officer to whom the decoration is given.

4. An Officer who is awarded the Volunteer Officers' Decoration while he is in possession of a Long Service Medal will not be required to forfeit the latter, but will not be allowed to wear it in addition to the decoration.

5. Any Officer on whom this Decoration has been conferred may be deprived of it, with the King's approval, if convicted of any act derogatory to his honour as an Officer or a gentleman.

REGULATIONS RESPECTING THE LONG SERVICE AND GOOD CONDUCT MEDAL FOR THE ROYAL NAVAL RESERVE.

- (a) The Medal may be granted to all men enrolled for the first time in the Royal Naval Reserve on and after the 1st April, 1906, who satisfactorily complete 15 years' service with the requisite periods of Naval Training and have entered their final period of service provided their character has never been assessed below "very good" during such training.
- (b) The Medal may also be granted to all other Royal Naval Reserve men who have satisfactorily completed 15 years' service with the drill or training required during that period provided they entered for the final period of service, and that their character has never been assessed below "very good" during such training.
- (c) To entitle a man of the Royal Naval Reserve to a Medal, he must have been recommended for the award by the Registrar General of Shipping and Seamen.
- (d) Time served in the Royal Navy will not be allowed to count towards the 15 years' service required; but, as regards Royal Naval Reserve men transferred to the Coast Guard, time served in that Force will be allowed to count in cases where the Naval Long Service and Good Conduct Medal is not awarded.
2. The form of application (R.V. 74) which provides for a record and certificate of efficient service should be submitted by the Registrar of Royal Naval Reserve of the man's Home Port to the Registrar-General, who will complete and forward the same to the Admiral Commanding Coast Guard and Reserves, who will determine the validity, or otherwise, of any claim for the Medal.
3. When the conduct of a member after he has been awarded the Medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Admiral Commanding. The deprivation will be reported to the Admiralty.
4. When it is desired to replace a Medal which has been accidentally lost, the man to whom the Medal belonged must make a declaration before a Magistrate (or Registrar of Royal Naval Reserve) stating the circumstances in which the loss occurred, together with his rank, name, and R.V. 2 number. This declaration will be sent to the Admiralty through the Registrar General, and the Medal will be replaced on payment, if the explanation as to its loss is considered satisfactory.

Admiralty,

September, 1912.

NOTE.—Chief Skippers, Skippers, Chief Warrant Engineers and Warrant Engineers are eligible for the above Medal on the completion of 15 years' combined service as an officer and man.

REGULATIONS RESPECTING THE LONG SERVICE MEDAL FOR THE ROYAL NAVAL VOLUNTEER RESERVE.

1. *Eligibility.*—Members of the Royal Naval Volunteer Reserve may be granted a medal for long service after 12 years' service in the Volunteer or Territorial Forces, including service from the age of 15 in a Cadet Corps or Cadet Battalion of the Army Volunteers.
Only service as an "Efficient" will be allowed to count towards the qualifying period, but the service need not be continuous.
2. Service with the Regular Forces, Militia, or Special Reserve, will not be allowed to reckon towards the qualifying period, but all service with the Auxiliary Forces, including service qualifying for the Colonial Auxiliary Forces Long Service Medal will reckon, provided that the last five years have been served in the Royal Naval Volunteer Reserve. For this purpose service in the disbanded Royal Naval Artillery Volunteers will reckon as service in the Royal Naval Volunteer Reserve.
- Service in Boys' Companies will be allowed to reckon towards the grant of the medal, subject to the following rules:—
- (a) To count his service as a boy he must enrol in the Royal Naval Volunteer Reserve, direct or through a Probationer Company, within six months of leaving the Cadet Company.
- (b) He will not be permitted to count service before the age of 15.
3. The Medal may also be granted to members who have retired after completing 12 years' service, and to Officers who have served in the ranks, and are not eligible for the Decoration for Officers.
4. *Applications.*—Applications should be made on Form R.N.V. 12 to the Admiral Commanding Coast Guard and Reserves who will determine the validity or otherwise of any claim.
5. *Forfeiture of Medal.*—When the conduct of a member after he has been awarded the medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Admiral Commanding Coast Guard and Reserves. The deprivation will be reported to the Admiralty.
6. *Loss of Medal.*—When it is desired to replace a medal which has been accidentally lost by the holder, a declaration must be made before a Magistrate, or before a commissioned Officer of the R.N.V. Reserve, stating the circumstances in which the loss occurred, and the name, rank, and official number of the man to whom the medal belonged. This declaration will be sent to the Admiralty through the usual channel in the case of a man who is still serving, and direct in the case of one who has retired. The medal will be replaced on payment, if the explanation as to its loss is considered satisfactory.

GOOD CONDUCT MEDAL AND GRATUITY.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

750. Men holding any of the Ratings specified as eligible for these awards in Appendix XV., Part 1. who entered the Service prior to 1st January, 1885, and to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

- (a.) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;
- (b.) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.
- (c.) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" given on his Service Certificate, whenever he is required to record it, the letters R.M. (Recommended for Medal), if he should consider him deserving thereof from his invariable very good conduct and exemplary manner of performing his duties. After 12 years of such "Very Good" character, the Captain will in like manner add the letters G.R. (Gratuity Recommended).

4. Desertion, reduction to the Second Class for conduct, imprisonment, detention, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article, and Clause 4 of Art. 751.

5. Exceptional cases. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity, the case of any man

who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-Clause (b), of this Article notwithstanding anything he may have done or any character which may have been awarded to him, except "Bad" or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalidated and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8. To entitle a man to a Gratuity:—

- (a.) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension.
- (b.) He must have been awarded the Medal and have never forfeited it.
- (c.) He must have been recommended on the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.
- (d.) He must have been continuously awarded the character "Very Good" since he received the Medal.
- (e.) He must have completed time for Long Service Pension unless previously invalidated, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows —

Chief Petty Officers, having served as	
Chief and First Class Petty Officers	
(OS) or Petty Officers (NS) for not less	
than 10 years	£20

Petty Officers (NS) having served as such or as First Class Petty Officers (OS) for not less than 10 years	15
Second Class Petty Officers (OS), with 7 years' service as such, or men of Leading Seaman rank with over 3 years' service as such, and 7 years* subsequent service in that capacity ..	10
Leading Seaman, having served as such for not less than five years	7
Able Seamen, and others	5

10. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6, 8, and 16 to 22, of Article 751, are applicable to men who joined the Service before 1st January, 1886.

751. Men holding any of the Ratings specified as eligible for the good Conduct Medal in Appendix XV., Part 1 who entered the Service after 31st December, 1884, may be recommended for the award under the following rules:—

Note.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal—

(a.) He must have served for 15 years with continuous "Very Good" character,* and with previous character not inferior to "Good," in service reckoning for pension.

Note.—In cases where character during pensionable service has been assessed as "Good," on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

(b.) He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.

(c.) He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 828 and 830, Clause 3.

4. Desertion or Reduction to the Second Class for Conduct will render a man absolutely ineligible for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." See Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of 1*l.* a year which is not to be paid until he completes time for Pension. If invalidated before completing time for pension, he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restored.

For each year's service in the following ratings, after the date of the award of the Medal, will be added—

To Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS)	£ s. d. 2 0 0
.. 2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such*	1 0 0
.. Leading Seaman, except as above	0 10 0
until the maximum is reached, which will be, for a—	
Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS)	£ s. d. 15 0 0
2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such*	10 0 0
Leading Seaman, except as above	7 10 0
Able Seaman	5 0 0

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men becoming eligible for the award.

9. If a man is awarded the character of "Good," instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5*l.* will be awarded.

11. If a man is invalidated after having been awarded the Medal, and before completion of the full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by

* In the case of Ratings who are required to pass a qualifying examination for advancement to Petty Officer, this privilege is not to apply to any time served prior to passing the examination.

further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid Gratuity after completing time for Pension, and whose Pension is not secured to him under Art. 1946, Clause 2, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge; but in the case of a man whose Pension is secured, only so much of the Gratuity as may have been earned by service in excess of 22 years will be recovered.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book his reason for so doing and draw a line across the "R.M.G." column of the man's Service Certificate or the corresponding column of his Conduct Sheet (form S.239a).

18. No service can reckon for Medal or Gratuity which does not reckon for Pension, but Officers' Stewards and Cooks who have not performed the necessary service in seagoing ships to qualify for Pension under Article 1334, Clause 4, will not be debarred from an award of the Medal if otherwise eligible.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, sentence of imprisonment or detention or other misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, so soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty so soon as the Men become eligible for them, on Form S. 218, accompanied by their Service Certificate, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

22. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

GOOD CONDUCT AND OTHER MEDALS AND GRATUITIES.

MARINES.

1192. Any Marine below the rank of Warrant Officer who enlisted after 31st December 1884, may be recommended for the award of a Good Conduct Medal under the following rules:—

NOTE.—This applies to Marines who were under the age of 18 on 31st December 1884.

2. To entitle a Marine to a Medal:—

a. He must have served for 15 years with continuous "Very Good" character, with previous character not inferior to "Good" in service reckoning for Pension.

Note.—In cases where character during penultimate service has been assessed as "Good" on the

31st December in any year, time reckoning for Medal will not commence until the 1st January following.

b. He must have been recommended for the award by the Captain of his Ship, or by the Commandant of his Division on his Service Certificate for the three consecutive years immediately preceding his application.

c. He must be recommended by the Captain of the Ship or Commandant of his Division under whom he is serving when he becomes eligible.

3. After a Marine eligible for the Good Conduct Medal under Clause 1 has been awarded 12 years continuous "Very Good" character as under these Regulations will count towards Medal, and if his character should continue to be "Very Good," the Captain of his Ship or the Commandant of his Division, if he considers him deserving thereof, is to enter on his Company Conduct Sheet or Certificate the recommendations provided for under Arts. 828 and 830.

4. Desertion or reduction to the Second Class for Conduct will render a Marine absolutely ineligible for the award of a Good Conduct Medal, except for one reduction within the first five years of a Marine's time provided that by his conduct he earns his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." See Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made, in special circumstances on behalf of a Marine who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a Marine's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. Notations on Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

8. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

9. From the date of the award or restoration of a Medal a Marine, provided his character is maintained will commence earning a Gratuity at the rate of 1*l.* a year, which is not to be paid until he completes his time for Pension, unless he is invalided from the Service in the meantime, in which case he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restored.

To this will be added for each year's service in the following ranks or Acting and Lance Ranks in the case of Non-Commissioned Officers who are subsequently promoted to the substantive Rank after the date of the award of the Medal:—

	£	s.	d.
Non-commissioned Officer in Class I ..	2	0	0
Sergeant in Classes II., III., and IV. ..	1	0	0
Corporal and Bombardier	0	10	0

until the maximum is reached, which will be, for a—

Non-commissioned Officer in Class I ..	15	0	0
Sergeant in Classes II., III., and IV. ..	10	0	0
Corporal and Bombardier	7	10	0
Gunner, Private, Munciean and Engler ..	5	0	0

10. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter, on the Men becoming eligible for the award.

11. If a Marine is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

12. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5*l.*, will be awarded.

13. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

14. If a Marine should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

15. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity.

16. In cases where Marines who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the Maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

17. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently became eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

18. In the case of a Marine who has been paid a Good Conduct Gratuity after completing time for pension, so much of the Gratuity paid as may have been earned by service in excess of 21 years will be recovered from his Naval Pension if he misconducts himself during subsequent service, and becomes ineligible for the award on final discharge.

19. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons on the Company Conduct Sheet, and a copy of this record is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will similarly record his reasons on Form R. 164.

20. No service can reckon for Medal or Gratuity which does not also reckon for Pension.

21. Imprisonment by the Civil Power shall not prejudice a Marine's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

22. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal Gratuity, provided that, should he be eligible for re-entry, he rejoins as soon as the state of his health will permit, and completes the required service.

23. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Berth Staff on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

24. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of this Article.

25. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on Form S. 218 accompanied by their Service Certificates or certified copies thereof by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Adjutant General, as soon as the Marines become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship, and in the case of Marines on shore, by the Commandants on parade.

1193. A sum not exceeding 40*l.* a year is placed at the disposal of the Admiralty, to be distributed in Annuities not exceeding 20*l.* as rewards for distinguished or meritorious service, to be granted either before or after discharge to Sergeants who have completed 21 years' service, or have been granted a life pension on account of hurts received in action, or otherwise in the execution of duty. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal, having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

1194. Conspicuous Gallantry Medals and Annuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry in action with the enemy, under the provisions of Art. 159.

2. A Warrant Officer may retain an Annuity granted to him before promotion for conspicuous gallantry in action.

NOTE.—The rules as to deprivation and restoration of Medals are contained in Article 778, &c., of the King's Regulations and Admiralty Instructions.

1. Whenever His Majesty may be pleased by His Order in Council, to call officers from the reserved or retired lists into active service in case of war or emergency, such officers shall be, in all respects, entitled to the pay and emoluments of their corresponding ranks on the active list, their retired pay being suspended. In other cases where Officers have received advancement on the Retired List the right of command will continue to depend upon the rank last held on the Active List.

6. Officers called from the Reserved, Retired, or Pension Lists during war or emergency may be promoted irrespective of the regulations which are in force at the time for Officers of the same class on the active list, but such special promotion will not extend to the granting of Flag rank or of any equal relative rank. - (b) The first payment will be due on the 1st January following the year in which the Officer completed his first period of training, or, if entered from civil life, in which he was confirmed, and will bear the same proportion to the full annual fee as the number of days subsequent to the completion of training, or to confirmation, as the case may be, bears to the total number of days in the calendar year.
- (c) Similarly the final payment on the Officer's removal from the Special Reserve, and any other payment that may be due for a period less than a calendar year, will be proportionate to the period to which it relates.
- (d) No payment will be due in respect of any period during which the Officer is serving, and in receipt of pay from the Crown, during a time of national emergency, but such service will be deemed to be the equivalent of annual training for the purpose of qualifying the Officer for retaining fees during fractional parts of a calendar year preceding and succeeding such service.

OFFICERS ON THE EMERGENCY LIST.

GENTLEMEN WHO HAVE RESIGNED THEIR COMMISSIONS IN THE ROYAL NAVY.

(Under the Provisions of Orders in Council of the 13th May, 1901, and 11th February, 1913).

In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should enrol their names on this list.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at time of resignation, but they do not receive pay, pension, or promotion* when not employed.

If called up for Active Service, Officers on this list, if promoted subsequently to being placed on the Emergency List, receive the rate of full pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Emergency List does not count for increases of full pay governed by seniority. Officers will also receive outfit gratuities not exceeding the following amounts:—

<i>When employed on combatant duties.</i>		£
Flag Officers, Commodores, and Officers of the same relative rank	40	
Captains and Commanders and Officers of corresponding relative rank	35	
Lieutenant-Commanders, Lieutenants and Officers of corresponding relative rank ..	30	
Sub-Lieutenants and Officers of corresponding relative rank	25	
<i>When employed on non-combatant duties.</i>		£
Flag Officers, Commodores, Captains, Commanders and Officers of the same relative rank	18	
Officers of lower rank	15	

An Officer transferred from non-combatant to combatant duties will be eligible to receive a further payment, equivalent to the difference between the two scales.

Officers promoted after they have been placed on the Emergency List will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last on Full Pay.

They will also be granted a Bonus of 25 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List.

Emergency Officers voluntarily re-employed (e.g., during annual Manœuvres) will receive in addition to the full pay and allowances of their rank a bonus of 15 per cent. for every pound of full pay (exclusive of allowances) earned by them.

Equipment allowances will be granted at the following rates, provided that no Officer will receive any allowance if less than three years have elapsed between the date of his resignation and the date of his re-employment, and that no allowance will be repeated to the same Officer within a period of five years:—

	£	s.	d.
To all Officers below the rank of Lieutenant	9	0	0
To Lieutenant-Commanders, Lieutenants or Officers of corresponding rank	12	10	0
To Commanders or Officers of corresponding rank	14	10	0

Officers actually selected to fill appointments to be taken up in time of war or emergency, will undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations:—

- (a) The pay is the same as would be given if called out during war or emergency, except the Bonus.
- (b) Travelling expenses of Officers attending the Courses are allowed.
- (c) Plain clothes may be worn, and no allowance for outfit is given.
- (d) Accommodation, when available, will be provided if desired.

Ex-Officers who are placed on the List will be shown as such in the Navy List.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering. The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers called from the Emergency List into active service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List.

In special cases Officers may be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List.

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Editor of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen whose names are placed on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which will be sent to them.

* Except in the case of Sub-Lieutenants who are eligible for promotion to the rank of Lieutenant after attaining three years' seniority.

Sub-Lieutenants who have been or may in future be promoted to Lieutenant on attaining 3 years' seniority under existing Regulations, to be eligible for the rank of Lieutenant-Commander on attaining 8 years' seniority as Lieutenant, provided they have completed 2 years' service after being "called out," including previous service as Sub-Lieutenant.

NOTE.—For List of Officers whose Commissions have been restored under these Regulations, see p. 2041.

REGULATIONS AFFECTING OFFICERS ON THE SUPPLEMENTARY LIST ENTERED UNDER ORDERS IN COUNCIL OF 29TH JUNE, 1895, AND 9TH AUGUST, 1898.

1. The Admiralty reserve to themselves the power of promoting any Lieutenant-Commander or Lieutenant entered under this scheme to the Active List of Commanders for distinguished service during war operations.

2. At the discretion of the Admiralty a Lieutenant on retirement may be granted such Honorary rank as may be considered desirable.

3. Pensions for Wounds and Wounds, Widows' Pensions, Compassionate Allowances to Children, to be at the same rate, and under the same conditions,

as those granted to Officers of the Royal Navy of corresponding rank.

4. Widows of Officers on the Supplementary List not killed in action, and who have not lost their lives in the execution of the service, who at the time of death had not five years' seniority as Commissioned Officers on the Active List, are eligible for the award of Gratuities, such Gratuities to be in every case less than the Gratuity that could have been payable to the Officer himself if he had been compelled by illness to retire from His Majesty's Navy instead of dying in it. (Order in Council, 7th March, 1899.)

ENTRY OF OFFICERS OF THE ROYAL NAVAL RESERVE ON THE SUPPLEMENTARY LIST OF LIEUTENANTS AND SUB-LIEUTENANTS, R.N., UNDER ORDER IN COUNCIL OF 7TH MARCH, 1913.

A limited number of Officers of the Royal Naval Reserve between the ages of 22 and 32 will be entered on a Supplementary List of the Navy.

Candidates will be selected from Officers of the Royal Naval Reserve who have completed 12 months' training in the Royal Navy, or who are now undergoing training.

Application for entry from Officers now undergoing 12 months' training, who may be eligible under the above regulations, will not be considered until the applicants have performed three months of the period of training. Selected candidates will be required to undergo a medical examination.

Sub-Lieutenants will be eligible for promotion to Lieutenant after one year's service from the date of entry in the Royal Navy or on the date on which they would have become eligible for the rank of Lieutenant in the Royal Naval Reserve, but power is reserved to the Admiralty to appoint them as Acting Lieutenants at any period of their service.

In the case of Officers who may not have fulfilled the service required by the Regulations of the Board of Trade for examination for Master, promotion will be subject to their passing an examination to be held by the Board of Trade.

Lieutenant-Commanders and Lieutenants on the Supplementary List will be eligible for promotion to the rank of Commander in cases of very exceptional service.

The rates of full pay will be the same as for Lieutenant-Commanders, Lieutenants and Sub-Lieutenants, R.N., and Sub-Lieutenants on the Supplementary List will receive a messing allowance of 1s. a day in addition. It is contemplated that continuous employment on full pay will be found for all Officers entered on the Supplementary List, except when they may be on half pay either through misconduct or at own request, or when

full pay shall have ceased in consequence of sickness. Half and Retired Pay, and gratuities, will be at the rates laid down for Officers entered on the Supplementary List under earlier Orders in Council. The rates of full, half, and retired pay, mentioned above, are shown in other parts of the Navy List.

At the discretion of the Admiralty a Lieutenant-Commander or Lieutenant on retirement may be granted the retired rank of Commander under the conditions applicable to Lieutenant-Commanders and Lieutenants generally.

Pensions for wounds and injuries, widows' pensions and compassionate allowances for children will be at the same rates and under the same conditions as those granted to Officers of the Royal Navy of corresponding rank.

Officers on entry will cease to be entitled to retaining fees.

The full equipment grant of 30*l.* will be given to Sub-Lieutenants and 40*l.* to Lieutenants, in consideration of their having to obtain naval uniform, provided that they have not received any outfit allowance on appointment to one of His Majesty's Ships for training within the two years immediately preceding the date of entry on the Supplementary List.

An Officer who has received outfit allowance while in such two years will receive only half the equipment grant, or the difference between what he has already received and the full rate.

Officers on the Supplementary List who perform meritorious service during war or who specially distinguish themselves in action will be eligible for transfer, at the discretion of the Admiralty, to the general list of officers of the Royal Navy in vacancies, and if so transferred will be allowed to count the service which they were entitled to count when on the Supplementary List.

order in which their names stand in the Official List of the Officers of the Royal Navy unless the Admiralty may otherwise direct.

6. Officers of the Non-Military Branches shall rank with each other and with the Officers of the Military Branch, the Royal Marines and the Army in the order given in the following table, and shall command in the same order the Officers and men of their own Branch as well as those of any other branch or of the Royal Marines who may be appointed or detailed for duty in their respective departments or placed under their orders by superior authority.

When Commanders, Lieutenant-Commanders, Lieutenants, or Sub-Lieutenants, who are seniors to the Executive Officer, are appointed for Navigating duties, they will succeed to the command of the Ship, in the absence of the Captain; but they are not to take upon themselves the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

10. All Officers of the Military Branch are liable to be called upon to perform Navigating and Pilotage duties in His Majesty's Ships, but the additional pay to Commanders, Lieutenant-Commanders, Lieutenants, and Sub-Lieutenants for the discharge of such duties, is contingent on their having passed the necessary examination in Pilotage.

11. Lieutenant-Commanders, Lieutenants and Sub-Lieutenants appointed for Navigating duties are to take a share in the ordinary duties of their Ships, such as watch keeping, acting as Divisional Officers, &c., but this participation in the ordinary duties is not to interfere with their special navigating duties and is to be arranged at the discretion of the Captain.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to the exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For Table, see p. 2405.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedence of Naval and Military Officers in command of His Majesty's Forces:

- a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.

- b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedence next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.
- c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut.-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

1. Officers of the Royal Indian Marine, Royal Naval Reserve, and Royal Naval Volunteer Reserve, rank with, but after, Officers of the Royal Navy of corresponding rank in the order here given, *e.g.*, Lieutenants R.N. rank before Lieutenants R.I.M., Lieutenants R.I.M. before Lieutenants R.N.R., Lieutenants R.N.R. before Lieutenants R.N.V.R., and Lieutenants R.N.V.R. before Sub-Lieutenants R.N., whatever their seniority may be.
2. Officers holding acting rank, rank *immediately* after the Officers holding the same confirmed rank in the same service, *e.g.*, acting Lieutenants R.N. rank after Lieutenants R.N. (confirmed), but before Lieutenants R.I.M. (confirmed).
3. Lieutenant-Commanders R.N.R. are, however, subject to certain restrictions as regards the exercise of executive authority (*see page 2375*).
4. Royal Naval Volunteer Reserve Officers are not to assume any Naval command or authority whatsoever, unless ordered to do so, by a superior Naval Officer. (Art. 172, K.R. & A.I.)

4. The KING'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is provided that money distributable among the Officers and Crews of any of His Majesty's Ships of War in respect of Awards made in the several cases therein mentioned, so far as full provision respecting the distribution thereof is not made by or under any Act of Parliament other than that Act, shall be distributed under the direction of the Lords Commissioners of the Admiralty in the shares in that behalf specified in any Royal Proclamation or Order in Council:

And whereas His Majesty was pleased, by an Order in Council dated the 24th October, 1916, to authorize the distribution under the direction of the Lords Commissioners of the Admiralty of all Prize Bounty, also the net proceeds of captures and seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the abolition of the Slave Trade, for the capture and destruction of Pirates and Piratical Vessels, and of the rewards conferred for the same, as also of the awards for all salvage granted to the Crews of His Majesty's Ships and Vessels of War, when not otherwise specially apportioned by the terms of the respective awards and allowances, and all other moneys whatsoever granted to be shared among the Officers and Crews of His Majesty's Ships and Vessels in the manner of Prize Money, except those arising from Prize of War, in the shares and under the Regulations set forth in the said Order:

And whereas it is considered expedient to amend the Scale of Distribution contained in the said Order in Council of 24th October, 1916, so as to provide for a fixed number of Shares to be allotted to Flag Officers and Commanding Officers in lieu of the proportions set forth in the said Order in Council of 24th October, 1916, and to make other adjustments:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to cancel the above-mentioned Order in Council of the 24th October, 1916, and to authorize the distribution under the direction of the Lords Commissioners of the Admiralty of all Prize Bounty, also the net proceeds of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, and also when not otherwise specially apportioned by the Terms of respective Awards and Allowances, of the Awards for all salvage granted to the Crews of His Majesty's Ships and Vessels of War, and all other Monies whatsoever granted to be shared among the Officers and Crews of His Majesty's Ships and Vessels in the manner of Prize Money, except those arising from Prize of War, in the shares and under the Regulations set forth below,

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will permit.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing in poverty and vicious in morals.

In the Female Orphan Home there are 140 girls entirely dependent on the funds of the charity (eligible for admission between the ages of seven and eleven years) who are maintained, clothed, and educated; there are in addition 23 girls partially maintained by Greenwich Hospital Funds and 4 under the Royal Patriotic Fund.

There is also another small Home in Clarendon Road, Southsea, where 20 children from 5 to 7 are received.

The girls are under the guidance of a careful matron and subject to a course of industrial training to qualify them for domestic service and such other occupations as the Directors from time to time deem advisable. A few girls will join the Secondary School for further teaching, and some are attending the Higher Education Classes outside the Home.

There are 44 boys (to be increased to 50), maintained from the Funds of the Home, at Swanley in Kent.

The Directors depend on voluntary contributions for funds to carry on the Institution. The number of children they can receive depends upon the amount of their Funds. They therefore confidently appeal to the charitable for help in carrying on and extending these works of usefulness, and rescuing from want and misery the fatherless children of those who have served their country, and who, in many cases, whilst thus engaged, have lost their lives in war, or by storm, shipwreck or disease.

Visitors are earnestly invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.

THE object of the Home is to provide for the fatherless children of our Seamen and Marines, and ensure them a practical training, including all household and laundry work, under a capable Matron, with a view to domestic service. Every effort is made to secure good situations for the girls on leaving the Home.

If any girl shows a particular aptitude for special work outside domestic service she is given her chance, if practicable.

To encourage those educationally inclined, "Nore Scholarships" at the Chatham Secondary School, at the expense of the Funds, have been instituted.

On 31st December, 1918, 43 girls were maintained in the Home and 2 at the Royal Sailors' Orphan Girls' Home, Hampstead; 6 of these girls are partially maintained by Greenwich Hospital Funds. In addition, 19 boys were maintained at Swanley and other Homes.

All denominations are accepted and orphans of men of the R.N.A.S., R.N.R., and R.N.V.R., who have lost their lives whilst on duty in the Royal Navy, are equally eligible with those of men of the Royal Navy and Royal Marines. Age for admission 5 to 12 years.

The Home is governed by a Committee of officers and men, who earnestly invite visitors to view the Home.

The extent of the good work of the Home depends on voluntary contributions, and all donations will be gratefully received. Donations should be sent to the Hon. Treasurer and all correspondence to the Hon. Secretary, addressing in both cases to the Royal Naval Barracks, Chatham.

GEORGE GUTHRIE'S FUND.

Education of the Sons of Scotsmen killed or disabled in the War.

This Fund has been settled in trust as a Memorial of Lieutenant **GEORGE WATSON GUTHRIE, M.B., C.M.**, of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13th, 1916.

Dr. Guthrie, who was born in 1876, was the youngest son of the Rev. David Guthrie, Minister of the Free Church of Scotland at Liberton, and was a grandson of the Rev. Dr. Thomas Guthrie of Edinburgh. He took his medical degrees at the University of Edinburgh in 1900, and then proceeded to London, where he became a house surgeon at Middlesex Hospital. Owing to a serious illness he decided to relinquish his medical career, and accepted a business appointment in South America. For some years before the War he was resident in Chili and Peru.

In 1916 he received a commission in the R.A.M.C. and was sent to France. He was attached to the Naval Division, and was killed by a shell at Beaucourt while attending to the wounded in the open field under heavy fire.

It is estimated that the Fund will produce an annual free income of about £1,000.

The Trustees are Sir **JOHN STRUTHERS, K.C.B.**, Scotch Education Department; Mr. **W. K. DICKSON, LL.D.**, Advocate, Edinburgh; Mr. **H. P. MACMILLAN, K.C.**, Edinburgh; Mr. **E. H. F. BRADBY**, Solicitor, London, and Professor **HARVEY LITTLEJOHN**, Dean of the Faculty of Medicine in the University of Edinburgh.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training, or assisting to educate or maintain the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who have served in the War, and who either have been killed in action, or been drowned, have died of wounds, accidents, or illness contracted in the course of their active service, or have been so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

The Trustees are to be the sole judges of the qualifications of the applicants, and as to whether the facts properly infer Scottish nationality.

In dealing with applications they are to give full weight to the character and social upbringing of the applicants, as well as to their educational attainments and capacity.

After the expiry of twenty-five years from the cessation of hostilities in the present War, the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post-graduate research fellowships, to be known as "GEORGE GUTHRIE'S FELLOWSHIPS."

A wide discretion has been left to the Trustees, and it is not their present intention to lay down any hard-and-fast scheme with regard to the allocation of grants from the Fund. They are prepared to consider each individual case on its merits, being guided by the general principle that the purpose of the Trust is to benefit boys whose family circumstances before the War were such that they might reasonably have looked forward to becoming officers in His Majesty's Service, or to entering professional or business life, and who on account of the death or disablement of their fathers in the War are unable to obtain, or to continue, the necessary education without assistance.

The Trustees invite applications on behalf of boys who are so situated. They will also be glad to receive suggestions as to suitable cases from officers commanding military units, and from others interested.

All communications should be addressed to the Agents for the Trust, Messrs. Murray Beith & Murray, W.S., 43 Castle Street, Edinburgh.
